Hainan Falls To The Reds

Chiang Kai-Shek Gives Order Sunday To Pull Out Rather Than Fight For Space

By the Associated Press

Chiang Kai-shek's island bastion of Hainan has fallen to the Chinese Communists.

The decision to give up the 13,500 square-mile stronghold off south China—reportedly made by Chiang himself—gives the Reds nearly half the remnants of Chiang's once vast Nationalist China.

His reported order follows the customary pattern set by Chiang in the civil war. His strategy on the mainland was to pull out rather than fight; to trade space for time, until his space ran out.

The Generalissimo's order for "total evacuation" of the big island has not been announced officially. The information came from one of the generals charged with Hainan's defense. The commander, who would not let his name be disclosed, accused Chiang of political ambitions.

Order to Abandon

The order to abandon all Hainan was received yesterday. Evacuation is due to begin today and the Reds are expected to take over before the week is out. Five Nationalist armies totaling some 125,000 men will be deserted to the Communists unless some last minute way can be devised to get them off Hainan.

In Washington, top U.S. officials express the belief that the Russians will try again next month to drive the Western powers out of Berlin. They say this expected effort, in the form of an invasion of the city's Western zones by a half-million German Communist youths, will be resisted by gunfire, if necessary.

Preparations to resist the threatened push on May 27-28 are being made by American, British and French authorities.

Defied Government

In East Germany, Protestant Evangelical church pastors have defied the Red-dominated government by declaring that their Christian followers are sending up "cries for help" against Communist pressure. The protest was read during yesterday's services in Russian zone churches.

Foreign observers in Moscow say they are convinced the Russians will step up their diplomatic drive to counter U.S. Secretary of State Dean Acheson's recently declared policy of "total diplomacy."

They believe the Russians intend to tackle every international issue of interest of them or in which they see the United States trying to take the offensive.

Lots of Activity

Veteran diplomats in Moscow say they have never seen as much diplomatic activity as that in which Russia is presently engaged. The "total diplomacy" speech which apparently has stirred all this Russian activity, was keynoted by Acheson's call to the American people to join in a concerted drive against Russia's plans for "world domination."

Britain's Labor government today ordered to unload ships tied up in London port by a wildcat dockers' strike denounced by cabinet members as Red-inspired. The government decision was made after the walkout threatened to halt all operations in the sprawling dockyards.

Junior C. of C. Has Elected

ST. JOSEPH, Mo., April 24—(AP)—Dr. Stanley Peterson of Springfield is the new state president of the Missouri Junior Chamber of Commerce.

Peterson was elected Saturday at the annual convention. The session closed Sunday.

Other new officers: Norval Satterfield, Jefferson City, first vice president; Leroy Robertson, Springfield, treasurer; and Lee A. Bowman, Sikeston, Don Fraser, St. Louis county, John McGehee, Joplin; Charles Baird, Maryville, David Donnelly, Lebanon, Charles Muellershaw, Festus, and Frank Kenyon, Cape Girardeau, vice presidents.

Train Strikes Work Car
WELCH, W. Va., April 24—(AP)—An eastbound Norfolk and Western railway train struck a work train in a tunnel at Kimball today and killed five members of the crew.

Railroad officials here said a sixth workman was injured and had been brought to a hospital here.

Identification of the dead men and the injured persons was not immediately available.

Officers of Smith-Cotton Councils

Left: Gene Williams, son of Mr. and Mrs. Herbert A. Williams, 1600 South Kentucky avenue, who was elected and will take office of senior council president at the Candelight Service at Smith-Cotton high school, which will be held Monday, May 15. Right: Robert B. Stanley, son of Mrs. Dorothy Stanley, 706 West Seventh street, will be installed at the same service as vice-president for 1951.

Left: Gene Watts, son of Rev. and Mrs. J. W. Watts, 1605 South Carr avenue, who was recently elected to the position of student council president for the junior high school. Right: Shirley Kirkpatrick, daughter of Mr. and Mrs. Lloyd Kirkpatrick, 1800 East Twelfth street, who is the vice-president elect of the junior high school council.

Hunts Vehicle In Kansas City, Finds it Here

State Trooper Off Duty Accidentally Sees Motorcycle

A State Highway Trooper may be working his regular shift, but he's never off duty when it comes to looking for someone or a stolen vehicle. This was proven Sunday by Trooper Ralph Rider, who worked his regular shift in Kansas City out of troop headquarters in Lee's Summit, looking for a stolen motorcycle. Then he came to Sedalia, and about 9:00 o'clock Sunday night up bobs the motorcycle he had been looking for, going down Broadway.

The patrol received a report a motorcycle had been stolen at Olathe, Kansas, and was believed to have been ridden to races in Kansas City. Trooper Rider went to the races, and checked what he told fellow troopers, he thought was at least 500 machines—but no stolen cycle could be found. Finishing his shift for the day, Rider decided to come to Sedalia to visit with relatives and friends. Riding down Broadway, he noted a motorcycle in front of him, and behold it had the license number, the one for which he had been looking.

Trailed the Rider

He began to trail the rider and followed him down several side streets until they reached Wilkerson and Quincy avenue, when he pulled up alongside and motioned the rider to stop.

Getting out he questioned the fellow and then took him to police headquarters, where he was

Youth Slashes Young Mother

MOUNTAIN HOME, Ark., April 24—(AP)—A 16-year-old orphan boy who said he had been planning the deed for two days slashed a beautiful young mother nine times with a hatchet as she lay sleeping in her cotter, Ark., home last night.

Baxter County Sheriff Ernie Gentry said Albert Clay Roberts, who lived with an uncle next door, admitted the attack on Mrs. Ralph Connelly, 19, while her husband was working at the Bull Shoals damsite.

Mrs. Connelly was in a critical condition at a Gasville, Ark., hospital this morning. She had five wounds in the head, two in the neck, one in the left lung and another over the right kidney.

Gentry and Arkansas state police brought young Roberts, slightly-built eighth grade pupil, to Mountain Home for questioning after they found a blood-stained hatchet hidden under a mattress in the boy's room. Then they took him to the state hospital at Little Rock for observation.

The sheriff said that when asked why he did it, the lad replied: "If I knew, I'd tell you. I'd be planning it for about a couple days."

Asked if he knew he would get caught, Roberts was quoted by the Sheriff as saying:

"Yes, I knew it just after I did it."

Lions Escape From Circus

BADEN BADEN, Germany, April 24—(AP)—Two lions escaped from a circus near here today and clawed a 20-year-old German girl to death.

Police said the victim, Elfriede Lauber, was walking near the circus ground in Buchertal. The lions were captured a few hours later.

Rush on Filing Over Weekend; 25th Last Day

A. H. Wilks Seeks Nomination for Eastern Judge

The "deadline" on filing for office is drawing near. Tuesday is the final date for filing, but a big rush was on the past weekend of candidates seeking to become members of their respective party committees. Filing for public office however is still slow, although three paid their filing fee on Saturday, two Republicans and one Democrat.

A. H. Wilks, 116 East Broadway, former mayor of Sedalia, is now seeking the nomination for judge of the Eastern District to the county court, on the Republican ticket. He has no opposition as yet.

Michael J. Bogutski, 219 1/2 South Ohio avenue, Republican, who lost in the race for city attorney in the recent city election, has filed for the party nomination for prosecuting attorney. Bogutski is the only Republican to file for this nomination to date. William F. Brown, 1102 New England Drive, Democrat, present prosecuting attorney, filed for his party nomination several weeks ago.

A. Hugh Janes, 1113 West Third street, has filed for the Democratic nomination for county clerk.

Committeemen and Women

Committee men and women to file on the Democratic ticket: Robert M. Seelan, 225 South Grand avenue, first ward, first precinct; Dr. F. O. Final Concert of Symphony Tonight

The Sedalia Symphony orchestra, Abe Rosenthal conductor, will close its 1949-50 season tonight with the final concert of the year in the auditorium of Smith-Cotton high school, starting at 8:20 o'clock. The orchestra will feature both classical and lighter works of composers such as Grofe, Rodgers and Hammerstein II and Rube Bloom.

Guest artists will be the talented duo-piano team, the Nettleton twins, Jeanne and Joanne of Kansas City.

First Edition Brings \$1,344

LONDON, April 24—(AP)—The first issue of the first edition of Boswell's Life of Johnson was sold to Philadelphia bookdealer Dr. Samuel Rosenbach for 480 pounds (\$1,344) today.

The volume was published in 1791 and contains "the conversation on conjugal infidelity." It was part of a collection of Johnsoniana sold at auction by the executors of the late A. B. Burney.

Important Events In World News

WASHINGTON, April 24—(AP)—The House today voted a \$279,000,000 expansion of the veterans' hospital program.

It passed and sent to the Senate, by voice vote, a bill directing the Veterans' Administration to proceed with construction of 24 new hospitals and expansion of 14 others.

In effect, this restores a 16,000-bed cut in the hospital program which President Truman had ordered in 1948.

There was only an hour of debate, during which Rep. Davis (R-Wis.) called the bill a "political gesture" and predicted that Mr. Truman would veto it.

WASHINGTON, April 24—(AP)—W. Stuart Symington, retiring Secretary of the Air Force, said today the combat effectiveness of the Air Force has decreased in the last six months.

He told a news conference the drop in effectiveness is a result of cuts in numbers. He said the forces remaining have increased in efficiency.

Symington's estimate came on the heels of a series of reports from the armed services to Congress. These reports told of cutbacks as economy moves, but indicated no concern over present strength.

STOCKHOLM, Sweden, April 24—(AP)—Three more possible clues to the fate of the missing U.S. Navy patrol plane—another raft, a radio call sign book and a lettered piece of wood—were found today floating in the Baltic over the week-end.

The radio book and the unpainted pieces of wood stamped with black lettering in English were found Sunday on a Baltic island beach just off the southeast coast of Sweden. The raft was picked up by fishermen Saturday.

Swedish officials said all of these possibly may belong to the plane which the United States says was shot down with its crew of ten by Russian fighters over the Baltic two weeks ago. A Swedish coast guard official said the raft "looked as if it had been hit by bullets."

TOKYO, April 24—(AP)—A 23-man graves registration team late today arrived at the wreckage of a U.S. Air Force transport plane in which 35 Americans were killed Friday night on Mt. Hirugatake.

They planned to identify and bring down the bodies, probably tomorrow. The U.S. Army called for 130 Japanese to help. There were no survivors. The dead included Frank E. Pickelle, 40, Chicago, chief of General MacArthur's foreign trade section, and Capt. John C. Jones, chief of staff of U. S. naval forces in the Philippines.

Knife and Fork Club Dinner at 6:30 Tonight
The Knife and Fork club dinner will be held tonight at 6:30 o'clock at the Bothwell hotel which is a little earlier than usual because the meeting falls on the same night as the symphony concert.

Art Briese, the "American Night of Satire" will be the guest speaker.

Killed in Collision

ST. LOUIS, April 24—(AP)—Lewis Ridenhour, 25, of suburban Berkeley City, was killed yesterday when his automobile and a truck collided on U. S. highway 66 near highway 40 in St. Louis county.

Four other persons were injured in the collision.

Civil War Veteran Dead

TOPEKA, Kas., April 24—(AP)—John F. Baraman, one of the few remaining veterans of the civil war, died in Winter Veterans hospital here today. He was 102 years old.

The Weather

Central Missouri: Warm and windy this afternoon, highest in 80s. Partly cloudy with showers tonight, lowest by morning in upper 40s. Tuesday partly cloudy and cooler, highest in 60s.

Temperature: 7 a. m. 64 degrees; 2 p. m. 82 degrees.

State Rep. in Florida Shot, Killed in Office

Retired Meat Cutter Held in Jail For Investigation

ST. PETERSBURG, Fla., April 24—(AP)—Rep. Charles J. Schuh, a floor leader in the 1949 Florida house of representatives for the force of Gov. Fuller Warren, was shot and killed here today and a 71-year-old St. Petersburg man confessed to the murder.

Detective Chief John S. Siers said he killed Schuh because of "rotten politics."

"I will sign a confession. I want to go before a judge and plead guilty—no trial, no anything," Siers quoted Gifford a saying.

Siers said the assault was identified as Gifford from police files after he had earlier given his name as Charles Ross of Bay City, Tex.

Schuh, shot five times, died in his office before help could reach him. Gifford was seized by an associate of Schuh's in the ante-room of the law office. Police found a revolver on Gifford's person.

Schuh's father, who heads the father-son law firm, said Gifford had called on his son around April 20. At that time Gifford had told Schuh's secretary that he wanted to discuss a "personal matter" with the lawyer.

He returned again this morning, the father told police, and the shooting occurred shortly after he entered the office.

The elder Schuh said he did not know the nature of the "personal matter" Gifford had discussed.

L. C. Deal, an associate of Schuh's, told reporters he heard a shot from the legislator's inner office and grabbed Ross as he emerged into the ante room.

John T. Fisher, a former justice of the peace, said that shortly before the shooting he saw Ross meet the legislator on a street corner, shake hands in a friendly manner and then separate.

Ross was held in the office of a private detective agency until city and state officers arrived. He submitted quietly to arrest.

Rand said Ross at first told him that he was engaged in an altercation with Schuh, but a few minutes later said:

"I don't know just what happened."

Schuh was one of Governor Warren's staunchest supporters in the state. It was largely through his fight in the House that the three per cent sales tax was adopted.

Schuh was running unopposed for renomination in the Democratic primaries, scheduled next Tuesday.

Keeps Girls From Drowning

ST. LOUIS, April 24—(AP)—A tragedy was averted yesterday because a 21-year-old youth—one of five riding in a boat that capsized—was able to keep the others from going down.

The group was in a small boat on the Mississippi river near the Chain of Rocks (U. S. highway 66) bridge just north of here. The boat overturned when a barge passed going north.

In the group were Mrs. Cecelia Zorumsky, 38; Rosemary Zorumsky, 16; Carol Zorumsky, 11; Isabelle Danis, 20; and August F. Koedding, III, 21 all of St. Louis.

Koedding, Mrs. Zorumsky and Miss Danis were thrown clear of the boat and managed to return to it and hold on. But the young girls did not appear. Koedding dived under the boat and found them.

He brought them to the surface and helped them hold on until another barge, headed downstream, stopped to rescue the group almost an hour later.

Snow in London

LONDON, April 24—(AP)—The air ministry was loath to admit it snowed in London today. Its description of what fell on shivering Londoners was "frozen rain showers."

Miss Pershing Seems Better

JEFFERSON CITY, Mo., April 24—(AP)—Miss Anna Mae Pershing, 83, sister of the late Gen. John J. Pershing, seemed much improved today but is still on the critical list, St. Mary's hospital reported.

Miss Pershing, whose home is Lincoln, Neb., suffered a paralytic stroke here two weeks ago. She had presented one of her famous brother's dress swords to the State of Missouri a few hours before she became ill.

Her physician, Dr. G. Donald Shull, said she failed in strength Friday and Saturday but yesterday seemed much improved. The general's son, Warren Pershing of New York, was here to see his aunt over the week-end.

Phone Official Wants All to Visit Building

See How Telephones Work And Meet Some Employees

"The people of Sedalia are invited to come to an Open House at the telephone building April 27, 28 and 29, to see how their telephones work and to meet some of the people who help provide telephone service," T. M. Mullaly, manager for the Southwestern Bell Telephone company, said today.

"We want everyone to go through the telephone building at 202 East Third street and make a backstage inspection of the telephone system," Mullaly said.

Hours of the Open House will be from two to five in the afternoons and seven to nine in the evenings. Some twenty men and women of the telephone company will act as hosts and hostesses to welcome visitors and show them around the building.

Some Highlights

As some of the highlights of the Open House, guests will see:

How operators in Sedalia handle about 45,000 local calls and almost 1,000 long distance calls a day;

Cables carrying as many as 4,000 individual wires in a lead sheath the size of a man's wrist, and a cable splicer demonstrating how he joins, or splices, the wires between two sections of this cable;

How a trouble shooter, working with special equipment, can locate trouble on telephone lines or in the switching equipment without ever leaving his chair. Special exhibits also will help entertain Open House visitors.

Can Talk to Yourself

Everyone will have a chance literally to talk to himself. A tape recorder permits the visitor to hear his own voice as others hear it over the telephone.

Guests will see a model of Alexander Graham Bell's first telephone, which was developed in a Boston attic in 1875. In contrast will be the instrument now used in mobile radiotelephone service which brings telephone communication to moving automobiles and river vessels.

Visitors will inspect a cross-section of coaxial cable through which television programs are sent to chains of broadcasting stations.

Calls Have Increased

Emphasizing the extent of telephone expansion in Sedalia, Mullaly pointed out that in the last ten years, local calls have increased 60 per cent and long distance calls have gone up 150 per cent. Sedalia now has 8,270 telephones, more than 2,500 of which have been added since V-J day. Eleven switchboard positions have been added in the same period to bring the present total to 43. The number of telephone employees has almost doubled in the last ten years, with 123 people now employed.

"To meet this growth, the telephone company has spent more than \$800,000 here since the war," Mullaly said.

'Phone Workers Are Out

Union States All Equipment Workers Out by Nightfall; Service Unchanged

NEW YORK, April 24—(AP)—Telephone equipment workers went out on strike from coast to coast today, but public phone service was not immediately affected.

Division 6 of the CIO Communication Workers of America predicted all its 10,000 members in the Bell System would be off the job by nightfall in 43 states and the District of Columbia. The walkout was slow in starting, the union said, because of the time zone factor.

Western Electric Co., target of the strike, reported 5,000 out at 11 a. m. (EST) but said it had not heard from the Rocky Mountain or West Coast states.

Meanwhile, company and union spokesmen continued negotiations with a federal mediator.

Word Spread

As the time zone moved west and word was spread to outlying areas, the strike took root. No picket lines were reported, however, so the 230,000 other Bell system employees went to work, assuring continued telephone service.

The strike as yet has not affected the local telephone service. It was explained the striking members of the C. W. A. of the C. I. O. are employees of the Western Electric and not the telephone companies. Those on strike are technicians who install telephone equipment.

There are no Western Electric employees in Sedalia at the present time, it was explained by officials at the local telephone offices.

The strike was against the Western Electric Co., manufacturing and equipment subsidiary of the Bell system's parent corporation, the American Telephone and Telegraph Co.

Threat of a complete national telephone tieup was postponed, though not eliminated, when the union said it would not picket before President Truman's wage strike truce ends at midnight tomorrow. The union is striking over a matter it claims is not covered by the truce.

Charge Walkouts Illegal

The Western Electric Co. charged in a statement, however, that the walkouts were "illegal" under the existing contract. The dispute between the union and Western Electric arose over working conditions at a television tower installation in South Bend, Ind.

Morning reports gave this picture of the number walking out: New York State, 1,450; Illinois, 700; New Jersey, 600; Michigan, 430; Indiana, 250; Oregon, Washington and Idaho, 250; Louisiana, 100; a 12-state Rocky Mountain area; 185; Utah, 50; Wisconsin, 98; Connecticut, 250.

Asks Delay in Rail Strike

WASHINGTON, April 24—(AP)—The government today asked a two-week postponement of the strike set for Wednesday on several major railroads.

Francis A. O'Neill, Jr., chairman of the national mediation board, made the request in a telegram to David B. Robertson, president of the strike-threatening Brotherhood of Locomotive Firemen and Enginemen.

O'Neill offered the board's "services" during the proposed two-week truce period to settle the dispute at issue—the union's demand for assignment of a second fireman to Diesel locomotives.

The government request for the strike postponement came at a time when the four major railroads to be affected were curtailing services in anticipation of the walkout.

The strike is set for 6 a. m., local time, Wednesday, on parts of the Pennsylvania System, New York Central, Southern Railway and the Atchafalaya, Topeka and Santa Fe.

PHILADELPHIA, April 24—(AP)

The Pennsylvania railroad acting in advance of a threatened strike of locomotive firemen today ordered a halt to its long-distance passenger trains and all its freight service tonight.

Walter S. Franklin, president of the nation's largest railroad, said the move was being taken to "assure that no passengers are stranded short of the final terminals of their trains."

Report Given On Methodist Conference

Held Recently
At Preston, Rev.
Bartley in Charge

The Sedalia District Conference of the Methodist church was held at Preston on April 18 from 10:00 o'clock in the morning until 3:30 o'clock in the afternoon with the Rev. E. W. Bartley, district superintendent, presiding.

The reports of the 36 charges in the district show decided gains over the same meeting last year. Most of the men have given full time to their work although four are teaching school and two have farms to keep.

For the first six months receipts are as follows: General benevolences, \$4,427.00; old preachers' fund, \$3,170.00; Golden Cross \$459.00; week of dedication, \$865.00; advance for Christ, \$3,256.00 and orphanage, \$1,206.

The salaries are in full for the first six months, also.

Parsonages Completed
Parsonages at LaMonte, Lincoln and Epworth have been completed and LaMonte and Epworth occupied. Rev. George Houghan, graduating at Drew Seminary June 1, will go to Lincoln as an assigned pastor June 15.

A report was given that 265 members were received by baptism and vows which is the largest report made at a mid-year meeting, and ingatherings for the half year are: First church, 62; Clinton, 52; Epworth, 50; Versailles, 42; Good Will circuit, 33; Windsor, 23; Fifth Street, 22; Appleton City, 21; Versailles circuit, 22; Smithton, 15 and Calhoun, 14.

Ready for Building Projects
Windsor, Versailles, Fortuna and Urbana are all ready to enter on building projects. The project of the Fifth Street Methodist church awaits the congregational acceptance of the plans to receive the green light. Clinton expects to begin the first unit of its new unit as soon as possible.

Rev. J. Roy Smith, pastor at Humansville, gave the sermon for the day and the Preston high school chorus sang.

Appointments for the fourth round of quarterly conferences were given out with the first to be held June 18, for the Versailles circuit at Ozark chapel on the lake.

Plans were made for a meeting on visual education to be held at last year.

Social Events

Mrs. George Swope was hostess to the LaMonte Garden club at her home Tuesday, April 18.

The president, Mrs. Paul Moore, presided.

Following the business meeting an interesting program was presented on the subject: "Bright Plants for Dull Windows," with Mrs. Etha White as program chairman.

Mrs. George Swope gave a talk on "How to Grow Gloxinias" and a poem was read by Mrs. White, "April Fairy."

There were also interesting articles on cyclamen, azela and many other plants. A game contest was held with Mrs. H. A. Wade winning first; Mrs. C. N. Moore, second.

There were 13 members present. The LaMonte Garden club will entertain the Knob Noster Garden club with a luncheon at the May meeting at the LaMonte Methodist church.

CHURCH NEWS

The Sunshine Mother's club will meet at the home of Mrs. William Morgan, 920 East Sixteenth street, Tuesday evening at 7:30 o'clock.

Epworth, April 28, Rev. C. W. Schowengerdt, conference education secretary, in charge.

June 1 was set as the date for a conference meeting of all ministers, youth counselors and all youth who have made decisions for religious work to meet in a council on "Christian Vocational Guidance." The place is not yet selected but will probably be Springfield.

Report on Institutions
Reports were made on the Methodist orphanage, home for the aged, Central college, religious education department and the laymen's work.

Rev. Frank Stever, of Creighton, reported on the work of the Lord's Acre project in Henry county and the ten churches in the county now signed to this plan.

Rev. H. U. Campbell, conference treasurer, spoke on the subject of advance and crusade funds, both which are in advance of this time at last year.

Mrs. Paul Barnett Directs Program

The Kansas City Conservatory of music will present "The Song Cycle In A Persian Garden" under the direction of Mrs. Paul Barnett, formerly of Sedalia, on Friday, April 28th at 8:15 p.m. in the William Rockhill Nelson Gallery of Art.

The program will feature four students of Mrs. Barnett.

The program is a song cycle set to music by Liza Lehman, the words are taken from "The Rubaiyat" of Omar Khayyam.

Church Dinner For New Members

Members of the First Christian church will put on a contributive dinner in honor of new church members Wednesday evening at 6:30 o'clock in the church basement. The turkey will be furnished, so no one needs to bring any meat.

The 99 new members and their families who joined the church since Rev. David Bryan came to Sedalia last July, are invited to come to the dinner as the honor guests.

Rev. Warren Pope of Warsaw will be the speaker. Special music will be played. Mrs. G. L. Haggard has planned a few games.

The nursery will be open for the children.

Bond Forfeited
Bill Dan Huhman, Jefferson City, arrested by the police for careless driving, failed to appear in police court, this morning, and his cash bond of \$25.00 was ordered forfeited by Judge Jerry Trotter.

Huhman had run his car into a ditch in the 1400 block on East Broadway about 10 o'clock Sunday morning. He was taken to the hospital after it was thought he had a heart attack, and after an examination he was removed to the police station.

Sunday afternoon he was released on the cash bond.

Reports Sedan Stolen
Ralph Pauley, Houstonia, Mo., reported to the police his 1946 Chevrolet sedan was stolen from near Main street and Kentucky avenue sometime about 10 o'clock Sunday night.

Resolution on Air Academy

John F. Zander, secretary-manager of the Sedalia Chamber of Commerce, addressed the delegates of the state convention of the Junior Chamber of Commerce Saturday at St. Joseph, asking the support of the Jaycees in locating the proposed United States air academy at the Sedalia Air Base.

Mr. Zander explained the importance of locating the academy in the central part of the United States and of the development it would bring to Missouri in many ways to have it in this state.

On Sunday morning a resolution was passed pledging the aid, assistance and support of the state Junior Chamber of Commerce to the project of locating the U. S. air academy at the Sedalia Air Base and to encourage all local Jaycees to take up the cause.

An invitation was issued and accepted to hold the next board meeting of the state Junior Chamber of Commerce in Sedalia. The meeting will be held the latter part of July and will be attended by about 100 Jaycees.

BUILT LIKE A BATTLESHIP

Here is the rugged chassis of the '50 Ford. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability... two of the many reasons for Ford's luxurious big car comfort and roadability. And for power you have a choice of two great economy engines... the 100-h.p. V-8 or the 95-h.p. "Six."

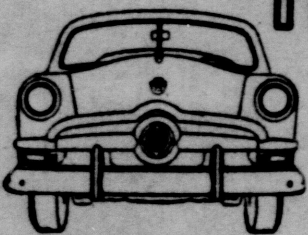

BUT WRAPPED LIKE A GIFT

You'll say this '50 Ford is outstanding for style. And the New York Fashion Academy agrees wholeheartedly with you. For the second year in a row, the Academy has awarded Ford its Gold Medal as "Fashion Car of the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value Ford is the new standard of value. And here's certified proof of Ford's great economy! White House Phones Regarding Income-Tax Case

By Drew Pearson

WASHINGTON.—One of the biggest income-tax cases in the Midwest is now on pins-and-needles, following a White House phone call.

The case is that of a Missourian, Irving Sachs, who operates "Shoe Styles" in St. Louis, and who has been recommended by the Treasury for tax-fraud prosecution. Sachs fudged on his income tax to the tune of more than \$100,000, and officials say that the fraud is clear-cut and indisputable.

When the case first arrived at the Justice department, Justice lawyers planned to forward it as a routine matter to the U.S. attorney in St. Louis for criminal prosecution. But suddenly they got a phone call from the White House. The White House did not request that the case be held up, merely that the Justice department confer with Sachs's newly appointed attorney, H. Schwimmer of Kansas City.

Such a conference between attorneys is not unusual. However, it is interesting that Sachs, though living in St. Louis, took the trouble to go to Kansas City to hire a new attorney. Furthermore, the attorney he retained is close to Tom Evans, Harry Truman's most intimate Kansas City friend.

Since then, the Sachs tax-fraud case has been delayed, perhaps indefinitely, on the ground that Sachs is too ill to stand trial.

Doctors retained by Sachs have stated that he is suffering from advanced epilepsy, that the ordeal of a trial would kill him. An independent doctor, however, not connected with the Sachs family, states that although Sachs suffers from epilepsy, a trial would not endanger his life. He is 51 years old.

All this, incidentally, came to light AFTER the attorney from Kansas City was retained.

NOTE 1.—Treasury and Justice department officials do not relish hastening the death of any evader. But it has almost got so that an old man or an invalid can violate the tax laws with impunity—provided he can get a doctor to state that a criminal trial would endanger his life.

NOTE 2.—Last January President Truman sent a message to Congress in which he took the laudable position of urging full and vigorous income-tax collection with prosecution of tax frauds. Probably he does not realize it, but telephone calls by his assistants to the Justice and Treasury departments frequently nullify that message to Congress.

Who Said That?

Man's memory is short. It was only a few short years ago that many distinguished and conservative Americans were praising Russia as a wartime partner, and urging cooperation after the war.

Printed below is what some of these Americans said. If you read their quotations while holding your hand over the names at the bottom of the column, it's doubtful if you could guess the authors. However, printed below are the names of the men or newspapers, by number, who made these statements. See how many you can guess correctly.

1. "The world situation at the present time indicates that the hopes of civilization rest on the worthy shoulders of the courageous Russian army. . . . The scale and grandeur of this effort marks it as the greatest military achievement of all history!"

2. "The continued cooperation between the United States and Russia is so essential to future world peace that no remaining differences can be permitted to interfere with it."

3. "We can do business with Stalin! And that business will help our political relations with the Russians, besides. . . . A tenth of the human beings of the world are on the way to higher living standards in Russia."

4. "If Europe moves all the way to Communism, it will not be because of Russian intervention, but because of the obstructionist tactics of die-hard reactionaries."

5. "In Russia's fight to survive as a nation lies the great hope of the world for early peace."

6. "The Russians have been consistently turning right, in the right direction. . . . 'Russia is likely to come out of the war the greatest democracy in the world.' . . . 'Stalin is opposed to world revolution and was sincere in his dissolution to the Comintern.'"

7. "We can do business with Russia to the mutual benefit of both countries and the lasting benefit of the world."

8. "I feel confident that we are on the threshold of a post-war period of collaboration in the fullest sense of the word. . . . I am confident Marshal Stalin will agree that, when victory is finally won, it will be our duty to transform this fighting alliance into a concordat dedicated to peacetime construction and to the betterment of the commonwealth."

9. And speaking of quotes, here is one by a famous Senator, that Harry Truman doesn't want him to forget. "I think it is peculiarly desirable that there be just as little dissension as possible on foreign policy between the executive and the Congress, between the executive and the Senate, between the Republican party and the Democratic party."

... The four big veterans organizations—American Legion, VFW, Amvets and the Disabled American Veterans—have been maneuvering to get control of General Aniline, the giant German film and dyestuff corporation seized by the government during the war. However, President Truman has vetoed the idea, believes that to give the German firm to any one group would be against the law. . . . Southwest dust storms will not cause another "dust bowl" as in the 1930's. Soil conservation has covered most of the area with grass.

The British, when asked why they send arms to the Arab states, point out that the Arabs have unequivocally declared themselves on the side of Great Britain and the United States in the cold war, whereas Israel has publicly announced strict neutrality. . . . The Girl Scouts of America have long done a patriotic job sending supplies to European school children. This is the kind of people-to-people friendship which helps prevent war in the long run.

U. S. Must Keep Cool Head In Plane Dispute With Russia

By Bruce Blossart

U. S. authorities think Soviet aviators shot down the Navy plane long missing in the Baltic area. Moreover, they believe the attack came over the open sea, not over Russian-Latvian soil as the Soviet Union has charged.

Our officials unquestionably are measuring their words carefully. They would not make so grave a charge if they weren't reasonably sure of their ground.

To us in this country it would have been bad enough were the Russian story correct: that Soviet flyers had fired upon an American plane which was flying illegally above Soviet territory. We would not attack a foreign plane under similar circumstances.

But a brazenly brutal assault upon a defenseless plane observing all territorial restrictions is of a far worse order. Yet no one can pretend there is really any surprise in this behavior. In this day of the police state, callousness toward human life is common.

From their first seizure of power, Russia's leaders have relied upon a variety of sub-human practices to maintain themselves entrenched.

Even by their own bestial standard, however, it was a colossal piece of effrontery to decorate the four Soviet airmen who fired upon and apparently knocked down the missing Navy plane. The ceremony obviously was rigged for American consumption. The Russians not only are brutal; they're proud of it.

What's the answer to this kind of depravity? Should we, as Senator Bridges suggests, arm patrol planes to the teeth and send them out in search of trigger-happy Russians? Then we might quickly touch off a world war nobody wants.

Much as we might like to exact a human price from Russia for its cruel action, we can't do this. As the military, political and moral leader of the free world, we have a responsibility to act firmly but correctly in all matters affecting international relations and the peace.

This does not mean appeasing or knuckling under to Soviet bullying. If Russian aviators continue to go beyond their borders in search of trouble, they should get the response in gunfire that they deserve. For it would then be plain they want war.

But, lacking convincing evidence on that score, we should seek to avoid tempting the Russians to show us how crudely primitive they are. If there is ultimately to be any conflict with the Soviet Union, at least let it not come from our being goaded into action by some possibly avoidable incident. In those circumstances the question always would exist whether or not the struggle could have been averted.

Ear Bent to Political Winds

Evidence is pretty strong that Mr. Truman crossed up some people when he vetoed the Kerr Bill to exempt independent natural gas producers from regulation by the Federal Power Commission.

Informed quarters say that the version of the bill adopted in Congress not only had the President's endorsement; it was put into acceptable shape at the White House. The indications were plain, according to these sources, that Mr. Truman would sign such a measure.

General belief around the capital is that the President yielded to tremendous pressure brought by groups who feared the bill meant higher gas rates to consumers.

The bill's sponsors, including a lot of staunch Democrats upon whom Mr. Truman must count on for support, must certainly be angry at this turn of events.

But the consumer who possibly stood to suffer from this bill is little concerned with their wrath. He's undoubtedly thankful that men who understand how sensitive the President is to political winds stirred up enough breeze to convince him a veto was wise.

SHUT YOUR MIND AGAINST ALL NEGATIVE THOUGHTS

We saw yesterday that the second thing to do was to realize that all negativism and inferiorities are unnatural—are a sin against ourselves and our possibilities as well as a sin against others and against God. A country girl who had moved to a city fainted every time she saw a cow, even in the city. That cow was connected with something unpleasant back on the farm; so the girl's mind went into reverse at sight of the animal and she fainted away to escape the cow and what it stood for. It was necessary for her to recognize that such a retreat was unnatural, something for which she was not made—a mind infection.

(3) Shut your mind against all negative thoughts the moment they come. Do not entertain those thoughts and give them a seat; for if they get your attention they will get you. Meet them at the door and slam it in their faces; lock the door and throw the key under a red-hot stove, so you cannot get at it. Paul literally says that: "Shut your mind." A nurse disliked a patient exceedingly. On the threshold of going in to see this repulsive patient, she paused for prayer. The words came, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me." Love came. No patient was ever repulsive again. It was well she did not act on the negative thought.

Don't admit, even to yourself, let alone to anyone else, that you are inferior or afraid. Above all, don't talk about it as a virtue—it isn't; it's a sin. "Why don't you admit your inferiority?" said someone to a Negro. To which the reply came: "I am a child of God, and out of loyalty to my Father I cannot accept that I am inferior." As a child of God he was not inferior—he was capable of infinite possibilities. So our faith rooted in the fact of our relationship with God. That mystic, Rufus Moseley, puts it in these quaint and beautiful words: "The Holy Ghost makes me put back my shoulders."

My Father, in Thee can I be a worm of the dust? I'm not. I'm Thy child, made in Thine image, enforced by Thy mind, empowered by Thy purposes, rekindled by Thy love, and remade by Thy redemption. I cannot be inferior since Thou art not, for I am in Thee. Amen.

The Doctor Says—

Nails—Subject to Diseases—Should Receive Proper Care

BY EDWIN P. JORDAN, M. D.
WRITTEN FOR NEA Service

The nails—both those of the fingers and of the toes—reflect the state of general health and are also subject to special diseases. They are often attacked by diseases which involve the skin; they are subject to injury and may be sensitive to various chemicals.

Thickening of the nails of either hands or feet is fairly common. With thickening, the nails become dull colored and often are ridged or furrowed. In some cases horny outgrowths can appear which are really quite remarkable in length and thickness.

There are many possible causes for such thickening. Irritation from neglect, dirt, or poorly fitting shoes or gloves may be responsible. Certain diseases of the internal glands which produce hormones sometimes cause thickened nails.

Another disease of the nails comes from inflammation around the base of the nail or the nail

bed. This is the result of infection with germs and its common name is whitlow. A single nail may be involved or all of them. This causes the nails to become ridged and sometimes to separate completely and fall off.

The treatment, of course, is to attack the infection. In extremely severe cases, the nail may have to be removed before the infection can be cleared up.

Another disorder of the nails causes splitting of one or all of the nails on the fingers or toes. Ringworms can affect the nails and may be difficult to cure. Psoriasis is another skin disease which may affect the nails and cause them to become pitted and deformed.

White points, spots, streaks, or bands can appear in the nails. Such conditions are most common in young people, and on the fingers rather than on the toes.

Cure Often Difficult

All these disorders of the nails require accurate diagnosis, but unfortunately many of them are difficult to cure. In psoriasis,

Still a Long Way to Go...

Distant Star

BY HERMINA BLACK

THE STORY: Falling in love had been far from Clemency Norton's intention when she became a governess to Baba, small daughter of Jon and Sybil Amberley, who live in Algeria with Jon's brother Piers. In spite of Sybil's warning that Piers was a "born bachelor," Clemency finds herself in love with him. Further complicating matters is the fact that Clemency learns that Jon is weak, obviously dependent on Piers' generosity, and given to drinking. Clemency tries to avoid further entanglement by avoiding Piers, but while taking Baba for a walk, Piers appears and gives Baba a ride on his horse.

XVIII

CLEMENCY NORTON watched Piers Amberley ride off with Baba. An unpredictable person! Who would have thought of him riding off so serenely with a four-year-old? And he was supposed not to like children. But Clemency wished he had not left her feeling quite so confused and young. She had the sudden conviction that if the mood had taken him, he would have thought no more of lifting her up and taking her for a ride on the Caïd than he had done of taking Baba. Perhaps it was just as well he did not seem to think of her as quite grown up.

She told Loulie to wait downstairs and bring Baba up when her uncle returned with her. While she was out, Abdul, the gardener, had sent up the flowers with which he supplied the nurseries every day. Clemency liked to arrange them herself. She adored flowers, and was one of those happy people who only had to put them in a vase to have them all as she wanted them to.

The basket full of roses and sweet peas which was today's quota stood on the long table where Baba had her lessons and on which Clemency always arranged the flowers.

She was filling a vase with scarlet and crimson blossoms when a sound behind her made her turn quickly to see Piers standing in the open doorway, watching her.

JUST for a moment Clemency and Piers looked at each other

across the room, and she was conscious of a new troubling intensity in his eyes.

Then Baba's delighted laugh broke the silence and she came hurrying over to clasp Clemency round the knees.

"We frightened you Clemency. We tip-toed ever so softly. I was going to say 'Boo!'"

"I nearly jumped right out of my skin," Clemency told her. "What a trick."

"I told Uncle Piers he wasn't to make one tiny little noise so's we could surprise you." Baba's "r's" always went to bits when she was excited.

"I am surprised—at Uncle Piers," said Clemency with a calmness she was far from feeling. This was the first time he had been in the nursery since she had reigned there.

Piers laughed. "Not my idea. The woman tempted me."

"That's a very old story," said Clemency. "Did you have a nice ride Baba?"

"Lovely. Can I go again tomorrow?" Baba ran back to her uncle. "Tomorrow never comes," he told her.

"Why not?"

"Because it's always today."

"And anyway," announced Clemency firmly, "you've had a lovely ride, and you are now going to have a lovely rest."

"No—!" As always when she was over-excited Baba showed signs of mutiny.

"You are going to do just exactly what you are told, or there will never be any more rides," her uncle announced quietly.

At that moment Loulie appeared, rather flustered. "I did not know the Sidi had returned," she said. "I was waiting—"

As a matter of fact she had been having a small flirtation with Mustapha, Abdul's son, who was a student in Algiers and spending his holiday with his father, and had missed the return of the master of the house.

Guessing something of the sort, min deficiency—a vasting disease, or something else far distant from the nails themselves.

In such cases, of course, local treatment is not enough, but the distant cause must be identified if possible and appropriate rem-

Clemency was annoyed—Loulie had been told distinctly to wait and bring Baba up.

"Take Miss Baba to lie down," Clemency told her. "Say thank you to Uncle Piers, darling—"

"Thank you. And please take me again tomorrow when it's today." Baba put her arms around Piers' neck as he bent to kiss her. Clemency thought: Why, he's very fond of her.

"I won't promise—but we'll see. Or perhaps we'll go for a ride in the car," he said.

And now surely he would go! But he lingered, looking at the roses. "You are fond of flowers, Miss Norton?"

"I love them," she answered. "So do I. One of the charms of this country is that one can have a garden for so many months. And—so many of the flowers from the old country."

"Yes. I've noticed that. It's lovely."

PLATITUDES! She wished almost violently he would go, and wanted him almost as violently to stay.

Then turning towards the door, he looked back. "By the way, would you care to come downstairs and have dinner this evening?"

Her heart felt as though it had done a somersault.

"I—!" she stammered. "I'm so sorry, but it's impossible this evening. I—!" But he did not wait for the explanation which she was vainly trying to find to excuse her impulsive refusal.

"I see," he said. "Another time perhaps." And went out, closing the door behind him.

Angry with herself, appalled at her panicky turning-down of his suggestion, she stood looking unhappily after him. Had she been unparadoxically rude? Was he offended?

And yet she had felt that she could not stand the strain of dining alone with him. She was much too afraid of giving herself away.

I am absurd! she thought angrily. There really was no excuse for bad manners.

(To Be Continued)

ringworm or eczema of the nails, treatment has to be aimed at the particular disease responsible.

In most of the other conditions, the cause is likely to be associated with some general condition such as poor diet—particularly a vitamin deficiency—a vasting disease, or something else far distant from the nails themselves.

In such cases, of course, local treatment is not enough, but the distant cause must be identified if possible and appropriate rem-

edies undertaken. Complete cure is not always possible.

Dr. Jordan will answer questions from his readers in a special column once a week. Watch for it.

Ex-Sedalia Girl Making Good In the State of California

In a recent issue of a newspaper in Englewood, Calif., a picture of Mrs. Henry J. DeBry, who before her marriage was Miss Virginia Baker, daughter of Mr. and Mrs. Cleo Baker, 708 Manchester, Englewood, Calif., formerly of Sedalia, appeared with a story about her.

The story follows:

"If there be those who still consider this only a man's world, the story of Virginia M. DeBry will bear evidence to the fact that a modern woman with charm, vision and ability can hold her own in the world of business and at the same time succeed as a wife, mother and home manager.

Native of Sedalia

"A native of Sedalia, Missouri, home of the great Missouri State Fair, Mrs. DeBry lived there until completing her elementary education at Jefferson school and for the first three years of her high school at the city's Smith-Cotton high. At that point in her life, the family moved to the southland and her high school education was completed at El Sereno. Her first position after graduation was in the offices of the Los Angeles Sanitary Can Machine company. During her five year there, her progress was rapid

by being made secretary to the president of the company. Next came a position with the Harvill corporation and while filling an important post in the company's accounting department she married her boss. In 1944 Mrs. DeBry retired to manage her home and to get her lovely little daughter started in life.

Designed Building

Four years later she designed and had built the building at 710 West Manchester and installed her business, infant's, children's and teen-age apparel known as the Bobby Soxer. Her success has been substantial. She is a member of the Business and Professional Women's Club and the Christian church.

"She was joined in marriage with Henry J. DeBry on October 23, 1942, in the Englewood Christian church. DeBry is now controller of the Advance Gear and Machine Corporation of Los Angeles. The couple has one fine little daughter, Cheri Lyn, age five. The DeBrys enjoy touring by automobile, dancing, roller-skating and horseback riding."

The grapefruit received its name from the fact that the first fruit is borne in clusters similar to a bunch of grapes.

OBITUARIES

Mrs. Pearl M. Lueking
Mrs. Pearl M. Lueking, 77 years of age, of Kansas City, died Sunday morning at a sanitarium near Independence, Mo.

She was born at Arrow Rock, Mo., on April 1, 1873 and was married to Henry A. Lueking, November 7, 1895 in Sedalia, at the Fifth Street Methodist church with Rev. B. B. Alton, conducting the marriage ceremonies. Shortly after their marriage, the couple moved to St. Louis, and for the past 28 years, had been residing in Kansas City.

She was a member of the Nazarene church for 50 years. Surviving are two sisters, Mrs. O. L. Michaels of Lynwood, Calif., and Mrs. H. H. Hawkins, Amarillo, Tex. Mrs. Marvey Hale of Sedalia was a sister of the late Henry Lueking.

Funeral services will be held at 7:30 o'clock this evening at the Stine and McClure chapel in Kansas City. Graveside services will be held Tuesday afternoon at 2:00 o'clock at Crown Hill cemetery in Sedalia, with H. U. Campbell officiating.

Mrs. Fannie Huff Service
Funeral services for Mrs. Fannie Huff, 92 years old, of Knob Noster, were held Friday afternoon at 1:30 o'clock at the Knob Noster Baptist church.

Music was by a quartet composed of Mrs. S. L. Doggett, Mrs. Russell Kendrick, William D. Covey and W. J. Carr, who sang, "Jesus, Savior, Pilot Me" and "Jesus Lover of My Soul," accompanied at the piano by Mrs. C. F. Covey. Mr. Covey sang a solo, "Crossing the Bar."

Palbearers were: L. P. Lay, Russell Kendrick, Tom Beatty, Earl Wampler, W. J. Carr and C. F. Covey.

Burial was in the Knob Noster cemetery.

Mrs. John J. Murphy
Funeral services for Mrs. Julia Golden Murphy, 79, 4432 Fairmount avenue, Kansas City, formerly of Sedalia, who died in Kansas City Saturday, will be held at St. Patrick's church in Sedalia at 9:00 o'clock Wednesday morning with the Rev. J. T. Nolan, officiating.

The body will be brought to Sedalia early Tuesday and the Rosary will be recited at 8:00 o'clock Tuesday night at McLaughlin chapel.

Burial will be in Calvary cemetery beside the grave of her husband, the late John J. Murphy, who died in 1932.

Mrs. Murphy was born in Fort Scott, Kas., the daughter of Dennis and Mary Golden and was reared in Sedalia. She moved to Kansas City in 1924 from St. Louis and was a member of the Guardian Angel Catholic church and Altar Society there. Mr. Murphy was formerly assistant superintendent of dining service for the M. K. T. railroad.

Surviving are one daughter, Mrs. Josephine McGee, of Chicago; one son, Sterling Murphy, of Kansas City; one sister, Mrs. Nora Giffie, of Kansas City and three grandchildren.

BIRTHS

Daughter, born to Mr. and Mrs. Ben Knaus, of Salt Lake City, Utah, April 16. Weight: Seven pounds. This is their second child. Mr. Knaus formerly lived at Knob Noster.

Daughter, born to Mr. and Mrs. Lawrence L. Ulmer, 1118½ East Fifth street, April 15 at the Warsaw clinic. Weight, six pounds, three ounces and has been named Sherie Lynn.

Traffic Case
Norman E. Thiele, Green Ridge, arrested by the State Patrol on a charge of careless and imprudent driving, pleaded guilty to Acting Magistrate John C. McCloskey, and was fined \$25.00 and costs, this morning.

Thiele figured in an accident on the west Main street road Sunday.

Caucus Tonight
A caucus for Mayor Herb E. Studer and the city councilmen, only, will be held tonight at the city hall.

This will be the first private meeting with all Democratic councilmen, since Studer, a Republican, became mayor on April 4.

Our funeral home is arranged to combine efficiency and beauty. Our canopyed driveway, with private entrance for family, affords complete privacy or those we serve and eliminates all traffic problems.

Everman said he would waive extradition and return to Kansas. An officer from the sheriff's office at Olathe, Kansas, is coming to Sedalia today to return Everman, and possibly the motorcycle.

Class Hatred Says Churchill

LONDON, April 24—(AP)—Winston Churchill hurled charges of "class hatred" and "class warfare" at the labor government today in debate over the proposed budget.

While he signified approval of some proposals made by Chancellor of the exchequer Sir Stafford Cripps, Churchill was vehement in general denunciation of labor's financial policies.

"Hate," he declared, "is not a good guide in public or in private life. I am sure class hatred and class warfare, like national revenges, are the most costly luxuries in which anyone can indulge."

Churchill, leader of the Tory opposition to the shaky Labor government, promised in the House of Commons that his party would vote against increased gasoline taxes and a one-third tax on commercial vehicles on Wednesday when the budget proposals come up for a piecemeal vote.

The government had proposed that for the fiscal year which began April 1 taxes on gasoline should be raised nine pence (10½ cents) a gallon.

Churchill described this as "a new burden on the traveling public."

The tax on commercial vehicles, he said, was "a direct attack upon the economy and efficiency of our production and distribution."

Take Flowers From Grave

In somebody's garden next year there will probably bloom some tulips that have been taken from a little girl's grave. Perhaps in some garden this year were tulips and hyacinths from the same little grave.

A year ago this spring the tulips and hyacinths were about to bloom, or were already in bloom on the grave of Elaine Schaberg, 14, who died four years ago. Her mother, Mrs. W. S. Jeffries, 1801 South Park avenue, had bought bulbs and planted them on the grave of her little girl so that in the spring time there would be bright blossoms there, but some thoughtless person went there and dug up the bulbs, maybe to plant in their own gardens, maybe to sell in blossom, maybe to save until fall to sell the bulbs.

The mother was terribly hurt when she went to the cemetery and found the flowers gone from the grave—but she felt it would not happen a second time. So last fall she bought more tulip bulbs and planted them on Elaine's grave only to have someone go to the grave and again dig the tulip bulbs just at the tulip season.

Another to File For Congress

SPRINGFIELD, Mo., April 24—(AP)—Wilbur C. Bothwell, 39-year old professor of economics at Drury College, said today he will file as a candidate for the Republican nomination for congress from the sixth district.

Bothwell said he'll use as his campaign theme "a crusade against the cockeyed economics of the present administration."

It will be Bothwell's first bid for public office. He is a graduate of Drury College, did graduate work at Washington University in St. Louis and served several years as an instructor in economics at Washington University. He also served as a senior staff member of the governmental research institute in St. Louis.

One of Bothwell's opponents for the Republican nomination will be a neighbor, O. K. Armstrong, free-lance writer and former Missouri legislator, who lives across the street from Bothwell here. A third candidate for the nomination is Harvey Dow of Sedalia.

Anti-Bookie Activities

KANSAS CITY, April 24—(AP)—Anti-bookie activities continued over the week-end on both sides of the Kansas-Missouri border in Kansas City.

In a raid Saturday, police smashed two doors with a sledge hammer to enter a second-floor storeroom which officers said was used as horse race booking agency in Kansas City. Mo. Six men were arrested and telephones and horse book equipment was seized.

Summer in London
LONDON, April 24—(AP)—The guards at Buckingham palace wore their scarlet uniforms and huge bearskin hats today for the first time this year—an official indication that summer is here.

Scarlet uniforms or no scarlet uniforms, however, heavy snows, gales and hailstones swept many parts of Britain.

Missing in Violent Rain
CHICAGO, Ill., April 24—(AP)—One person was missing in a violent rain and windstorm that lashed Illinois last night and early today.

Extensive damage was reported. Searchers patrolled the Mississippi river for the body of Richard Mitchell, 25, of Cape Girardeau, Mo., member of a tugboat crew.

Nat'l Guard History Traced

General John C. McLaughlin, commanding general of the 35th Division of the National Guard was the speaker at the regular noon meeting of the Sedalia Rotary Club today.

General McLaughlin traced the history of the gurd since its beginning in 1636 - it was the first of the military services organized - and outlined the important part the Guard has taken in all local and national emergencies.

He outlined the distinguished service which this branch of the service had given to bring about the growth and prosperity of our nation, and told of the opportunities for specialized training, and of the pay and retirement pension plan which is open to guard personnel.

Guests Presented
Guests presented by Z. Lyle Brown were: Charles M. Withrow, Rotarian of Tarkio, Missouri, and Lou L. Studer.

Fred Brink, district conference attendance chairman told of the coming District Conference to be held in Lexington, Missouri on May 14th and 15th and more than fifty members announced their intention of attending the Sunday session.

Forest Drake was elected by the membership to serve on the Board of Directors during the coming Rotary year, which begins July 1st. The meeting was presided over by Oscar De Wolf, president, and the speaker was introduced by Lawrence Barnett, April program chairman.

Phone Workers Are Out

(Continued from Page One)

C., 300; Kansas City, 300; Louisville, 40; Atlanta, 30; Columbus, O., 25; Cincinnati, O., 75.

Talks Collapsed
The telephone strike was begun by members of division six of the CIO Communications Workers in 43 states and the District of Columbia. Contract talks in a months-old contract dispute collapsed Sunday night.

Although the strikers do building and maintenance work only their walkout could have an immediate paralyzing effect if they set up picket lines which other telephone workers would refuse to cross.

The union announced, however, no picket lines would be established before midnight tomorrow when President Truman's wage strike truce in the case ends.

Minor Grievance
A minor grievance at South Bend, Ind., was blamed as the immediate cause of the strike, but a wage dispute had been under negotiation since last October.

The South Bend case came to the surface nationally over the week-end and was treated by the union as one of the strike issues. Company spokesmen insisted it should be submitted to a grievance committee.

That dispute stemmed from refusal of six men to walk through a muddy field to their jobs on a television tower under construction.

The company told the men that unless they reported for work at the tower they would be dismissed. Other union members supported the men in a strike of their local 104.

"The strike has been called because the union has patiently negotiated with the company since last October," Henry Mayer, the union's counsel, said last night.

"This, coupled with the recent situation in South Bend and the company's stubborn refusal to do any bargaining, convinces the union that a strike is the only remedy open."

Further peace talks were scheduled for today, however. The union has asked a straight 15-cent an hour wage boost, shorter hours, quicker advancement rates, and pension benefits which the company said adds up to a total of 37 cents an hour increase.

Will Is Filed
The will of Wesley Kroeck, who died April 17, has been filed in Probate Court. The will was made June 17, 1947. Mrs. Mabel Kroeck of near Sweet Springs, was named as executrix of the estate.

Heirs were listed as the widow, two daughters and one son. No attorney was appointed.

Methodist Minister Dies
INDEPENDENCE, Mo., April 24—(AP)—Jacob Barker, 101, German-born, former railroad worker and Methodist minister, died here yesterday.

Barker retired as a Methodist minister, after serving in a pulpit at Lindwood, Kas., 41 years ago. Then, at 92, he was baptized as a member of the Reorganized Church of Latter Day Saints. He lived here for five years.

Admitted To Hospital

Following the regular meeting of the Sedalia Chapter, No. 57, Order of the Eastern Star, a social session and program will be held Tuesday evening honoring Master Masons. Families of Master Masons will be special guests at the social session.

Liberty Park Amusements

The Sedalia Park Board is endeavoring to provide more entertainment at Liberty Park for both the children and grown-ups.

Several weeks ago, the park officials held a number of meetings, relative to authorizing concessions at the park, and this morning the board entered into a lease agreement with J. A. Westhusing for the Liberty Park skating rink.

Westhusing recently purchased the rink from W. H. Schmidt, who operated it for the past two years. The city doesn't own the building. However, it supervises operation of the rink and collects a rental fee for the use of the ground, on which the building stands.

In order to provide more entertainment for the children, the board has authorized L. E. Pettit, 400 East Fifth street to operate a pony ride concession in the west part of the park.

The board has also authorized, if final arrangements can be made, R. Elliott, 1307 West Third street, to operate a miniature railroad ride in the park.

Start Work on Copying Books

Miss Rose Leibbrand, 908-A South Vermont avenue, has been appointed by Mayor Herb Studer to copy the City of Sedalia assessment books from the County Assessor's books of County Assessor Lawson Clingan. The work is being done under the supervision of Joseph Potts, newly elected City Assessor. The city accepts the county's assessment.

She is using the office of Miss Hazel Palmer county collector, whose office has a typewriter suitable for the copying of the books. City Assessor Potts is also copying the books. The work must be completed by June 1, to turn over to City Collector Paul Alpert so he can prepare the tax statements for the City of Sedalia.

It was explained the reason they are a little late in getting started is because City Assessor Ed. Gorman died several weeks ago and no Assessor was appointed to fill the vacancy, leaving the work to be done by the newly elected Assessor.

Heat Record At St. Louis

By The Associated Press
The heat wave which set some new records over the week-end had lost its steam over most of the northern half of the nation today.

But clear skies and very warm weather continued over the southern states.

The coolest weather was in the northern plains states where DuPlants for Dull Windows," with 30 degrees. But Boston had a nippy 42, and in the far northwest, Seattle had a low of 38.

Women Crushed to Death Under Car

PERRY, Okla., April 24—(AP)—A 17-year-old Wichita, Kas., wife was killed today.

Mrs. Mary Irene Wise was crushed to death when the car highway patrol troopers said was stolen in Wichita left U. S. highway 77, eleven miles north of here and overturned.

Her husband, Robert Edward Wise, 16, the driver and Judy Barbara Moore, 16, both of Wichita, received minor cuts and bruises.

Troopers said the three were traveling towards California. Wise and Miss Moore are jailed in Perry.

Woodland Hospital

Admitted for surgery: Mrs. Homer Williams, 1500 South Quincy avenue and Mrs. Maude Housel, 1602 South Osage avenue.

Dismissed: Ralph C. Frisbie, route 4, Sedalia.

Dismissed: Mrs. H. O. Wilbur and son 1001 West Third street.

Letters Issued
Letters of administration are being issued by Judge A. M. Harlan of Probate Court to Edward Carry, Beaman, in the estate of his brother, Phillip A. Carry, who died July 10, 1949.

The petition for letters listed heirs of the estate as the widow of Carry, his brother, eight nephews and six nieces.

Leo J. Harned is the attorney for the estate.

Vandals Break Windows
Vandals broke between fifty and seventy-five windows in the City of Sedalia Garage, Montgomery avenue and the railroad tracks, sometime Saturday night or Sunday, according to a report to the police. It was believed the windows were either shot out by boys using BB-guns or by boys throwing rocks.

Cecil Glenn, welfare and juvenile officer, and the police are conducting an investigation.

To Honor Master Masons
Following the regular meeting of the Sedalia Chapter, No. 57, Order of the Eastern Star, a social session and program will be held Tuesday evening honoring Master Masons. Families of Master Masons will be special guests at the social session.

Sedalia Club Takes Part in Convention

Nineteen members of the Sedalia Business and Professional Women's club attended the state B.P.W.C. convention held in St. Louis over the week-end.

The convention convened Friday afternoon with Mrs. A. R. Rush, president of the Sedalia club, giving the invocation at the opening session. Mrs. Mildred Lass, Warrensburg, state president, presided at the meetings.

The outstanding feature of the convention was the banquet Saturday night at which the speaker, Margaret Cullin Banning, noted author, gave a talk on "Manners of the Democracy."

New officers were installed at the Sunday luncheon by Miss Helen Irwin of Des Moines. The officers installed were Miss Flossie Buckle, Kansas City, state president; Mrs. Pearl Archer, Mountain Grove, first vice president; and Miss Adeline Hardin, Slater, second vice president.

Miss Pauline Mandigo, of New York, who is in charge of the news service on the National Federation, was also present.

Sedaliens Took Part
Mrs. Everett White was chairman of the elections committee and Mrs. Ivan Berry was convention chairman for Sedalia.

Those attending from here included Mrs. Rush, Mrs. White, Mrs. Berry, Mrs. Ruth Riley, Miss Eva Evans, Miss Hazel Palmer, Miss Rose Leibbrand, Mrs. Frank Wagner, Mrs. J. F. Schumacher, Mrs. Ike Warren, Mrs. William Bond, Miss Daisy Martin, Mrs. Mabel Menefee, Mrs. Atwell L. Bohling, Mrs. R. A. Malone, Mrs. Nellie Monegan, Mrs. Mary Jane Mullins and Mrs. John Welch.

Miss Cecile Tibberty of Chicago, a former Sedalian and a charter member of the Sedalia B.P.W.C., who has never transferred her membership, joined the Sedalia group in St. Louis, and spent the week-end with them. Miss Tibberty had previously written members of the B.P.W.C. here who were particular friends of hers and made arrangements to meet them in St. Louis to attend the convention.

Attend Meeting In St. Louis

Pettis County Farm and Home News

Added Funds To Use In Soil Conserving

Notices Been Sent Out On Practices To Accord Approval

Notices of 1950 approved practices and assistance allocated under the Agricultural Conservation Program to each farm were mailed to participating Pettis county farm owners and operators last week, reports Jas. A. Harvey, chairman of the Pettis county PMA committee.

Official announcement in the form of a letter accompanying the mailed notice of approval informed the participating farmers of the availability of additional funds which may be approved for their farm to assist in the performing of five soil conserving practices. These practices include the construction of sod waterways; standard terraces; diversion terraces; and ponds for livestock water, and the establishing of permanent pasture.

The additional assistance which may be approved for the performance of one of the above listed five "Special" practices will be in addition to that approval of which farmers have now been notified, explained Harvey.

Rates Are Given

The credit rate on the five "Special" practices is: Sod waterways—12c per cubic yard of earth moved in construction of the berms; Standard terraces—\$2.00 per 100 linear feet; Diversion terraces—8c per cubic yard of earth moved in construction; and establishing permanent pasture—\$12.50 per acre on field not requiring application of 3 tons limestone per acre; and \$17.50 per acre on field requiring application of 3 tons limestone per acre to meet specified requirements for performance of the practice. This credit rate under the 1950 ACP on the special practices is approximately one-half of the total cost of performance which might make considerable difference in whether or not some farm owners would be in a position to carry out such practices as he has planned for several years but just did not have quite enough money to do the job.

The total amount of assistance granted on the farm for the "Special" practices will be determined by the practice to be performed, the need on the farm, the relation of the practice to long-range soil and water conservation on the farm, and the availability of funds. It is the hope of the county and community committees, that through the special assistance offered for these practices, there will be an increase of the permanent types of soil and water conservation on Pettis county farms where they might not otherwise be performed.

The services of the PMA program are available to help farmers plan and establish sites for the various practices approved under the 1950 Agricultural Conservation Program where such services are not available through the County Extension Agency and other related agencies.

The county committee requests those farmers interested in performing one of the "Special" practices to call at the county PMA office, 209 1/2 So. Ohio, to discuss in detail the provisions of this additional assistance and make their request for the special assistance. This request should be made as soon as possible, however applications will be accepted throughout the year and performance of all practices will be given the attention of the county PMA committee and PMA program to determine proper specifications are met, stated Harvey.

Plan 4-H League At Softball

At the last County 4-H Council meeting the council moved to organize a county 4-H softball league and a committee was appointed by the council president to work out the details. 4-H members and leaders from each section of the county compose the committee.

This planning committee met with the County Agents on April 17 and after much discussion on the best procedure for organizing set up the following rules:

1. Any club that wishes to organize a team and participate in the county league must notify the extension office by not later than May 8.
2. Only 4-H club members will be eligible to play.
3. Clubs will not be allowed to combine to form a team.
4. A county wide tournament will be held at the close of the season to determine the top team in the county.

After the number of clubs that plan to organize a team is known the committee will meet again and set up a league schedule of games. It is hoped that the organization of a softball league will help create more interest in club work as well as provide recreation for the clubs involved.

Mystery Farm Pictures in Central Missouri---

Whose farm is it?

Occupants of the above farm home may have wondered this spring about a plane buzzing low over their buildings. The picture explains it. The airplane pilot

didn't know whose farm it was. The photographer didn't either. The two of them just flew around the Central Missouri area served by the Sedalia Democrat-Capital newspapers and took pictures.

They couldn't take pictures of all the farms but they got as many good shots as possible during the light time.

So about once a week hereafter, until the pictures run out,

the Sedalia Democrat-Capital will print these farm home pictures as a news feature. The newspapers would like to know whose farm homes they are.

Earmark Pigs to Check on Grain

Shown above are left to right Emmett Fairfax, Howard Brown and Jesse Fairfax earmarking a Hampshire pig on the Fairfax farm recently. The Fairfax Bros. have earmarked nine litters this spring. Their farm is located 4 miles southeast of Sedalia.

Each pig in the litter is given the same mark. At weaning time, the pigs will be weighed. The weight of the pigs with the same earmark will be totaled together to find what the litter weighed at 8 weeks of age.

There is a close relation between rapidity of gains made by growing pigs before 8 weeks and from 8 to 6 months. Because of this, it is usually safe to forecast that the heaviest litters at eight weeks will be the heaviest at 6 months.

After the heaviest litters have been selected by the above method, the better gilts from those litters can be picked according to breed type, conformation, number of teats, etc.

Insurance For 1951 Wheat Crop

Federal Wheat Crop Insurance is available at the Pettis county PMA office on the 1951 and succeeding wheat crop years, reports Jas. A. Harvey, chairman county PMA committee.

Applications for wheat crop insurance with the Federal Crop Insurance Corporation must be signed by September 15, 1950, to cover the 1951 wheat crop.

The policy offered insures against loss of production of the wheat crop while in the field, due to unavoidable causes including drought, flood, hail, wind, winter-kill, insects, plant disease and such

other unavoidable hazards. The contract is continuous and shall remain in effect for each succeeding crop year until either the insured or the Corporation gives to the other, written notice of cancellation before the final cancellation date of June 30 of any year.

Coverage is established at a figure to protect the insured, in case of loss, for out-of-pocket cost in preparation of seedbed and seeding of the grain which in Pettis county is 7.2 bushels per acre if harvested; 6.5 bushel per acre if crop is not harvested; and 3.6 bushel per acre if released and put to another use. Cost of this insurance in Pettis county is figured on the basis of one-half bushel for each seeded acre in which the producer has 100% interest, or prorated according to percent interest in the seeded crop.

Quite a number of wheat producers who availed themselves of the wheat insurance on the 1950 wheat crop are already receiving settlement for damage suffered to their wheat last winter and are utilizing their fields for other crops. Other producers have seeded legumes or grass with their wheat and therefore do not choose to put the field to any other use and will not request inspection and appraisal of their 1950 wheat crop until harvest time and collect settlement due them on either the harvested or not harvested coverage.

Harvey stated there are no agents working in the county at

present to sell Federal Wheat Crop Insurance but wheat producers are urged to contact the county committee at the PMA office to learn the details of the contract and sign a wheat insurance application before the final date for acceptance.

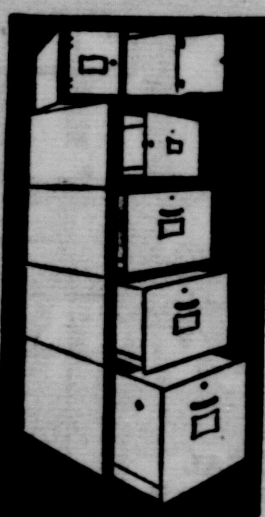

Reception Night For the 4-H'ers

Pettis County 4-H club members, parents, and leaders are anticipating a full evening of entertainment at the Annual Pettis County 4-H recreation program next Saturday night. The meeting will be held at Convention Hall and will begin at 7:30 p. m.

Recreation night is held annually to give everyone connected with 4-H club work an opportunity to get together for the sole purpose of just having a good time. All the entertainment will be under the direction of a recreation committee of club members, appointed by the county 4-H council president. This committee under the direction of Miss Anna Lee Harvey of the Walnut Grove 4-H club have planned a full evening of fun for everyone present. Various games including get acquainted games, folks games, action games and square dancing will provide entertainment for all age levels. Everyone attending is asked to bring a pencil. Testing Plan for Milk Production

The Owner-Sampler Plan of testing your cows for milk production is in operation now. It is one of the sure ways of knowing what each individual cow is producing of milk and butterfat per month and for each lactation. It takes some of the guess work out of dairy. This is very important at present and in the future. At present there are 10 herds with 140 cows on test on this plan. The herds number from 6 to 30 in each herd. A herd is never too small nor too large in number for this plan of testing. There were several cows that produced over 50 pounds of butterfat last month. The production of a herd is never

vides a time of fellowship and the opportunity for 4-H'ers to get better acquainted and to gain a broader understanding of club work through the exchange of ideas.

Refreshments consisting of soda pop and cookies will be served everyone present.

Sedalia Cubs Edged Mendon Sunday 3-2

Sedalia Pitcher, Bob Rapp, Struck Out 13 Batters

The Sedalia Cubs defeated the Mendon club Sunday at Mendon in the opening baseball game of the season for both teams, by the score of 3 to 2.

A large crowd watched the game, despite the strong wind, which hampered the game by blowing dirt on spectators and players. Several times, umpires would have to call time. Many of the fans said it was one of the best games ever played on the diamond and a return game will be played at a later date.

Mendon got off to a good start, and led the Sedalia club 2 to 0. Vernon Kennedy, ex-big league pitcher, formerly of Chicago, Detroit, St. Louis, Washington, Cleveland, Philadelphia nationals, and last year pitched with the Minneapolis team, was on the mound for Mendon.

Kennedy pitched a fine game, striking out nine men and allowing 10 scattered hits.

Cubs First Run

The Cubs scored their first run in the third inning when Charles Thompson got to first base on an error by the shortstop. 'Livengood' then tied it; Slocum singled, and Thompson scored on Barr's infield out. George Thompson ended the inning by striking out.

The Cubs scored the other two runs in the ninth inning, when they were trailing 2 to 1. The first man up was George Thompson, who grounded out. Daniels, the second baseman got a double; Barnes singled, then Humes hit a long double to center field, scoring both Daniels and Barnes. Rapp reached first base on a fielder's choice, when Smart, third baseman made an error trying to get Hume advancing to third base. Hume was called out trying to score on Thompson's bunt. Livengood struck out, ending the last inning.

The Cubs had several good chances to pick up runs in the fourth and fifth innings, when they made two or three hits, but could not break through for a tally.

Rapp Pitched For Cubs

Bob Rapp was on the mound for the Cubs, and pitched a good game, allowing only five scattered hits and striking out 13 men at the plate.

Mendon scored in the second inning. Kennedy flied out; Atterbury singled, Murphy singled, Hart walked, Stewart walked, forcing in a run. Neighbors and Smart struck out, ending the inning. The team also scored in the third inning when Welch singled; Mackholz struck out, Kennedy got to first on an error by Daniels; the runner then advanced on a passed ball and Welch scored from third, when he was hit by a ball thrown to the catcher by Barr, third baseman. Atterbury and Murphy struck out, ending the inning.

Rapp allowed only two hits in the last six innings, walked three men during the game. He had a lot of "stuff" on the ball, mixing curves, fast and knuckle ball. Hume worked behind the home plate.

Humes, Barnes and Slocum each got two hits for the Cubs, out of four trips to the plate. Welch got two hits out of five trips to the plate for Mendon.

Officers' Meeting
The Sedalia Cubs will play their home opener Sunday afternoon at Liberty park at 2:30 o'clock against the Holden Chiefs.

The Sedalia Cubs' officers will hold a meeting at the Chamber of Commerce office at 7:30 o'clock tonight.

Score by innings:
Sedalia Cubs 000 001 002-3-10-4
Mendon 000 000 000-2-5-2

Burton's to Sponsor Girls Softball Team

Burton's Ready-to-Wear, 209 South Ohio avenue, will sponsor Sedalia's girls' softball team this year. Bert Boldman, manager of the company, said today his team will be known as the Burton's Blues.

The team is composed of practically the same personnel as the Sedalia Toppers of 1949. The players have been practicing the past several days preparing for the coming season. Several players of last year have failed to report to date but are expected out this week.

Practice sessions have been enjoyed at the softball park, Sixteenth street and Center avenue, Smith-Cotton diamond, and also at Washington Park.

A Favorable Outlook For Boston Braves

Team Boasts One Of Hardest Hitting Clubs in Nationals

By Joe Reichler Associated Press Sports Writer

Give the Boston Nationals another reliable starting pitcher and you can start making world series reservations at Braves' Field for next October.

Five games may not be a true standard, but they've given the following indications:

1. The rebuilt Braves boast one of the hardest hitting clubs in the National League.

2. The outfield is the best since Manager Billy Southworth took over five years ago.

3. Pitcher Johnny Sain, ace of the 1948 championship squad, definitely is on the comeback road after a poor 49 season.

The Braves lost their first game of the infant season yesterday when they bowed to Philadelphia, 6-5, after winning the first game of the doubleheader, 4-3. The opening game triumph was their fourth of the campaign.

Cubs Still on Top

The split dropped the Braves into third place. Chicago's surprising Cubs, rained out of their game with St. Louis, remained on top with a 3-0 rating. Rain also washed out the Brooklyn-New York Giants game. In the only other National League activity, Pittsburgh ran up its fifth straight triumph, vanquishing the winless Cincinnati Reds, 5-3. It was the fourth straight loss for the Reds.

Chicago's White Sox handed Detroit its first defeat of the season, 5-4. It was the Sox's first victory in five starts. The Tigers had won four straight.

The Boston Red Sox and Philadelphia Athletics divided a doubleheader. The A's won the opener, 9-4, and the Sox came back to take the nightcap, 12-2.

Cleveland swept both ends of a twin bill from the St. Louis Browns, 9-6 and 7-5, with darkness ending the second game after seven innings. Rain washed out the scheduled Washington-Yankee game at New York.

Noted Football Coach is Dead

ATLANTA, April 24—(P)—W. A. Alexander, who came to Georgia Tech in short pants 44 years ago and stayed to win national acclaim as a football coach, died in his sleep yesterday.

"Coach Alex," as he was known to thousands of friends and admirers, was 60 years old. He was athletic director of Tech's physical education department at his death.

Alexander, the first man to carry grid teams to the four major bowls—Rose, Sugar, Orange and Cotton, surrendered head coaching duties to Bobby Dodd after the 1944 season. He had been at the helm of Tech's football teams since 1920, when he succeeded his own coach, the late John Heisman.

Never able to make the grade as a player, Coach Alex left little to be desired as a coach. He was named coach of the year in 1942.

Although his 24-year reign as head coach was well-sprinkled with glory, his biggest moment came Jan. 1, 1929. That was when he took his Yellow Jackets to Pasadena and defeated California 8 to 7 in the Rose bowl.

In other bowl games, Coach Alex's teams beat Missouri 21-7 in the 1940 Orange bowl, lost to Texas 14-7 in the 1943 Cotton bowl, defeated Tulsa 20-18 in the 1944 Sugar bowl and lost to Oklahoma 26-12 in the 1945 Orange bowl.

His all-time coaching record was 133 games won, 95 lost and eight tied.

Alexander's health had been declining in recent years and he suffered several heart attacks last year.

Browns Lose Doubleheader To Indians

Rain Postponed Game Between The Cards And Cubs

By The Associated Press

The St. Louis Browns drew their largest crowd since the spring of 1947 yesterday—18,146 fans—but they let them go away disappointed as the Cleveland Indians took both ends of a doubleheader, 9 to 6 and 7 to 5.

In Chicago rain postponed action between the Cubs and the St. Louis Cardinals.

What the Browns were able to gain with homers—two by Ken Wood and one by Dick Kokos—they lost because of weak fielding and ineffective pitching.

Too Many Walks
In both contests the Browns gave the fans every reason to believe a St. Louis victory was in the offing. But in both cases the local club helped the Indians with an infield bobbie or too many free walks to first base.

Wood started the Browns off in the opener with his first four-bagger in the first inning, scoring behind Tommy Upton and Frank Arft.

But in the fifth Eddie Albrecht, who had kept Cleveland under control until then, walked four men, allowed Indian Manager Lou Boudreau a hit, and was further hurt by Owen Friend's error. Then Lou Kretlow came in to hit one man with a pitched ball and walk another. That accounted for five runs.

Tied in Sixth
Wood tied up the count again in the sixth with another home run while two men were aboard and in the ninth he doubled in a final rally. But a walk to Al Rosen in the seventh and Jim Hegan's double put the Indians in the lead for the first game.

In the nightcap Kokos put the Browns out in front 4-2 with his grand slam homer in the third inning. The Browns added one more run in the fourth and looked safe.

But Bob Lemon, the pitcher who had held them to five hits in the opener, pinchhit in the sixth with a homer after Roberto Avila had singled. The Indians, having picked up two other runs in the fifth, added another in the seventh before the game was called because of darkness.

In addition to Friend, Upton and Frank Gustine had errors in the first game. Upton, Gustine and Friend were joined by Ned Garver in the second game error column.

Golfer Finally Makes The Grade

VIRGINIA BEACH, Va., April 24—(P)—Ben Hogan and Jim Ferrier and several other top-ranking professional golfers all were beaming today. For they could say: "Didn't we tell you he'd come through?"

Hogan, Ferrier and the others predicted long ago that Fred E. Hawkins, of El Paso, Texas, sooner or later would become a great golfer.

Hawkins, a quiet-mannered 26-year-old ace who has been playing big-time golf's tournament tour for nearly three years, finally made the grade yesterday. He won first place in the 54-hole Cavalier Specialists tournament.

In doing so, he disposed of Jimmy Demaret of Ojai, Calif., Ferrier, the Australian-born veteran from San Francisco, and most of golf's big names.

Hawkins put together rounds of 67, 64 and 69 for a 54-hole total of seven-under-par 200.

Hawkins picked up \$1,100 for his efforts.

Clayton Heafner of Charlotte, N.C., took second place with a 202 total and earned \$950. Johnny Palmer of Badin, N.C., and Ted Kroll of Philmont, Pa., tied for third with 203s, collecting \$825 each.

Demaret, the Masters and North Fulton Open champion who was tied with Hawkins when they started the last round, had a 204 for fifth and \$750.

Season Opener Sunday for the Western Assn.

Biggest Crowd At St. Joseph in 92 Degree Heat

By The Associated Press

The Western Association season opened Sunday with baseball weather and a football score.

The weather, sunshine with temperatures in the 80s and 90s, was just what the box offices wanted and the crowds responded well.

The football score was the Joplin Miners' 21 to 6 shelling of the league's brand new member, the Springfield Cubs, at Joplin.

Game teams won the three other games, too. Defending champion St. Joseph repulsed Topeka, 6 to 1; Salina beat Hutchinson 10 to 5, and Muskogee defeated Enid 6 to 4.

Joplin made Springfield's return to the league after a seven year absence the occasion for a batting spree. Three pitchers failed to stop the assault. The Miners collected 20 hits, including five by shortstop Mickey Mantle. Twenty six hundred were in the park.

4,909 Fans
The day's biggest crowd, 4,909, turned out at St. Joseph in 92 degree heat to see the champions carry on in their 1949 form. Winning pitcher Mel Greer, up from the Appalachian League, struck out eight Topekans and allowed only six hits.

An overflow throng of 3,000 saw Salina get a four run head start in the opening inning with the help of three hits, two walks and a struck batter. In that inning also, Hutchinson committed the first of six errors that helped dull its attack.

Muskogee and Enid, playing at night, drew the slimmest crowd, 1,296. Hal Killa swatted a home run in the first inning, worth two runs for Enid, but Muskogee got on top with a three run second inning.

Lakers Beat Syracuse in Final NBA Playoffs
MINNEAPOLIS, April 24—(P)—A \$19,500 bonus jingled in the pockets of the Minneapolis Lakers of the National Basketball Association today.

They got it last night by a crushing 110 to 95 win over Syracuse in the final NBA playoffs for the championship. It'll be divided evenly among the 11 Lakers.

The Minneapolis team took the best-of-seven series, 4-2, as center George Mikan looped in 40 points to set the pace for his mates.

The \$19,500 does not include other playoff pools which will boost the total so that each Laker will collect a nest egg of \$2,027.27.

Jim Thorpe Will Become Member of Hall of Fame

OKLAHOMA CITY, April 24—(P)—Jim Thorpe, fabulous Oklahoma Indian athlete now living in Philadelphia, will become a member of Oklahoma's hall of fame during statehood day ceremonies, Nov. 16.

Thorpe, voted the outstanding athlete of the half century in a recent Associated Press poll, was one of six persons named today by the Oklahoma Memorial Association.

Home Run Bug Is Following The Pirates

Wally Welake Is Leading Team With Four Baggers

By Jim Holton

PITTSBURGH, April 23—(P)—There's no secret to the Pittsburgh Pirates' current fence-busting rampage in the infant 1950 season.

It's just that the Buccos have come up with a biological phenomenon—"Homer, the home run bug."

Here's how the mysterious little germ has hopped about the Pittsburgh roster:

Ralph Kiner, in his first season with the Bucs in 1946 hit 23 home runs.

The following year Hank Greenberg—who had a habit of bopping four-baggers by the scores around the junior circuit—joined the Pirates and became Kiner's roommate. That year Ralph smacked 51.

40 Over the Fence
In 1948, the pride of the Buccos rifled 40 over the fence.

Last season the big outfielder banged out 54 round-trippers—a near record.

When the Pirates assembled in San Bernardino, Calif., this year Manager Billy Meyer decided on an experiment. He assigned his number two slugger, Wally Welake, to room with Kiner. Westlake didn't have a bad year exactly—with 23 homers—but he had slugged in spurts.

Now with his eye on Babe Ruth's all-time record of 60 homers in a season Kiner finds himself running behind roommate Wally.

Ralph has poled two over the Forbes Field wall. Westlake punched out his fourth in three days in the Bucs' 5-3 conquest of the Cincinnati Reds.

Manager's View Point

Manager Meyer offers this: "Wally's doing swell. If he can outslug Kiner—that's okay. As long as they keep hitting the way they have been I'll be satisfied."

"I think rooming with Ralph has had quite a bit to do with Wally's hitting. I don't know why, but it has."

Meyer then commented dryly that maybe he could arrange to house the team dormitory style to take full advantage of the mystery infection.

Derby Ambitions For Two Colts

NEW YORK, April 24—(P)—Two more colts with Kentucky Derby ambitions—Middleground and Lotowhite—definitely joined the parade of eastern horses today for the \$100,000 classic May 6 at Louisville. Another, Sturdy One, came up lame and was counted out by his trainer.

With the mile and one-quarter gallop of the roses less than two weeks away, the field for this 76th Churchill Downs merry-go-round began to jell after Prince salted down the \$49,050 Wood Memorial Saturday at Jamaica.

At least six of the contenders who have been campaigning in the east either are en route to Kentucky, or have their oats packed.

Players Named For B-J Chiefs

Eighteen baseball players, who will play for the Sedalia Ban Johnson Chiefs this season were picked by Manager G. O. "Dutch" Hawley, Sunday afternoon after the team played an intra-squad game at Liberty Park.

The pitchers named were: Joe Imhauser, Bob Brown, Bob Ray, Jim Egbert and Joe Muhl, who is from Leeton. Brown and Ray played for the Junior Legion Post 16 team last season.

Carl Barber, Bill Whitworth and Leon Noid will work behind the home plate this season.

The infielders will be: Ralph Walker, Larry Vilmer, Ralph Waters and Wallace, who is of Leeton.

Dale Ruffin, Bob Dillard, Bill Holst, J. Paxton and Jimmy Bus were named as outfielders.

Many of this season's Ban Johnson players have outgrown the Junior Legion team and have moved up to a Ban Johnson qualifications, ranging in age between 17 and 21 years old.

The Chiefs play a non-league game Sunday afternoon at Eldon, and will open the league season at home, Sunday night, May 7 at Liberty Park, against the Booneville Lions.

Leadership Changes In ABC Bowling Meet

COLUMBUS, O., April 24—(P)—The big board listing team leaders in the American Bowling Congress tournament had a new look today. Names of six new teams went up into the first ten after yesterday's shooting.

Marion & Sanders of Lansing, Mich., rocked the pins for 2912, with games of 962, 1043 and 907—to take over second spot and shove Burger Beer of Cincinnati down a notch.

Fourth, fifth, sixth and seventh spots were taken over, respectively, by John Hoffman, Jr., Produce, Louisville, Ky., 934-934-989—2857.

New Process Gear Corp., Syracuse, N. Y., with 884-969-979—2832.

Vogler's Dairy, Trenton, N.J., with 942-901-987—2830, and Falls City Brewers, Louisville, with 118-969-943—2821.

The other newcomer in the first 10 was the Bob Cougounour Ford team of Meadville, Pa. Its 962-991-845—2798 was good for tenth place.

Ray Farness of Madison zoomed to fourth in all-events with 545-670-608—1823. His entry into the first 10 was the only change in the select circle in all-events.

Jayhawks Are Favorites in Drake Relays

Kansas Foursome Set New Records in Relays Saturday

By The Associated Press

LAWRENCE, Kas., April 24—(P)—Based on their performances in the Kansas relays, Big Seven conference athletes figure to win their share of honors at the Drake relays Saturday.

The Kansas Jayhawks' four-mile team, which marked up a new record of 17 minutes 34.3 seconds in the Kansas relays Saturday, should be an odds-on favorite at the Drake affair.

The Kansas foursome of Cliff Abel, Herb Semper, Pat Bowers and Bobby Karnes also set a Texas relays record earlier this month.

Oklahoma's sprint medley team of Charles Coleman, Jim Finley, Jerry Meader and Bill Jacobs, which set a new Kansas relays record of 3 minutes 24.3 seconds, also will rate with the best at Drake.

Smash Doors In Raid; Arrest Six

KANSAS CITY, April 24—(P)—Police smashed two doors with a sledge hammer Saturday to raid a second-floor storeroom which officers said was used as a horse race booking joint here.

Six men were arrested, telephones and horsebook equipment were seized.

Police Capt. Lester W. Kircher said he got a tip on the place through an anonymous telephone call.

Three tables in the place were littered with racing forms, and a filing cabinet contained bundles of betting slips, Kircher said. There were four telephones.

Kircher said the phones rang about 50 times during the 45 minutes police were in the room. Patrolmen answering the calls said the callers were asking to place bets of \$1 to \$50 on horses.

William Harold Murray, 50, was charged with keeping a gambling game. He was released on a \$200 bond. Others arrested on gambling charges were released on \$100 bonds. They were John Earl Finnell, 49; George W. Fatall, 44; Harry Isadore Engle, 51; Robert Phillip Devore, 41, and John Edward Donnelly, 42.

Two places across the state line in Kansas City, Kas., were raided by Kansas officers yesterday.

Demand Slashes In Aid Funds

WASHINGTON, April 24—(P)—Two more senators—Kem (R-Mo) and Ellender (D-La) Saturday demanded deep slashes in the \$3,100,000,000 European recovery funds for the next fiscal year.

Calling attention to the mounting national debt for a billion-dollar cut in the authorization now pending in the senate.

"It would be the height of folly for us to continue to throw our money around in Europe like drunken sailors," Kem said in a statement.

Senator Ellender proposed a half-billion dollar cut saying it would "eliminate a few frills and luxuries hidden in the program."

Chairman Connally (D-Tex) of the senate foreign relations committee and majority leader Lucas (D-Ill.) appeared unworried about new attempts to whittle the program.

Instead, Lucas was pressing senators to agree on a definite time for voting after a week of debate. He hopes to get the bill through the senate and back to the house next week.

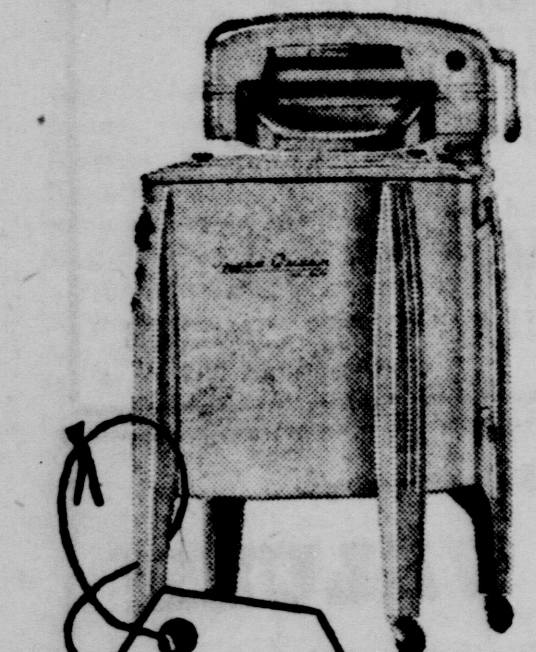

Have Running Water If Door Opened

PIERRE, S. D., April 24—(P)—A census-taker met a farmer from flood-bedecked Sully county.

She asked him the standard question: "Do you have running water in your home?"

"Nope," said the farmer, freshly chased from his home by an overflowing stream, "but if I opened the door I would."

Loses Life in Leap From Plane Afire

OLATHE, Kas., April 24—(P)—The pilot of a Navy plane lost his life Saturday in a jump from his burning plane.

The Olathe Naval Air Station said the pilot was Ensign Eugene Norrman Simon, about 26, of Glenview, Ill., a reserve officer and a student at Northwestern university. He was married and had two children. He was on a routine training flight.

The plane crashed northwest of Zarah, Kas., about a mile north of Highway 10, after it had taken off from the Olathe Naval air station.

J. R. Walker, who lives near the

scene of the crash, said fire appeared to break out when the plane was flying at 1,500 feet. He said he saw the pilot jump from a height of about 100 feet. The

plane crashed about 300 yards away.

Hainan Falls To The Reds

Chiang Kai-Shek Gives Order Sunday To Pull Out Rather Than Fight For Space

By the Associated Press

Chiang Kai-shek's island bastion of Hainan has fallen to the Chinese Communists.

The decision to give up the 13,500 square-mile stronghold off south China—reportedly made by Chiang himself—gives the Reds nearly half the remnants of Chiang's once vast Nationalist China.

His reported order follows the customary pattern set by Chiang in the civil war. His strategy on the mainland was to pull out rather than fight; to trade space for time, until his space ran out.

The Generalissimo's order for "total evacuation" of the big island has not been announced officially. The information came from one of the generals charged with Hainan's defense. The commander, who would not let his name be disclosed, accused Chiang of political ambitions.

Order to Abandon

The order to abandon all Hainan was received yesterday. Evacuation is due to begin today and the Reds are expected to take over before the week is out. Five Nationalist armies totaling some 125,000 men will be deserted to the Communists unless some last minute way can be devised to get them off Hainan.

In Washington, top U.S. officials express the belief that the Russians will try again next month to drive the Western powers out of Berlin. They say this expected effort, in the form of an invasion of the city's Western zones by a half-million German Communist youths, will be resisted by gunfire, if necessary.

Preparations to resist the threatened push on May 27-29 are being made by American, British and French authorities.

Defied Government

In East Germany, Protestant Evangelical church pastors have defied the Red-dominated government by declaring that their Christian followers are sending up "cries for help" against Communist pressure. The protest was read during yesterday's services in Russian zone churches.

Foreign observers in Moscow say they are convinced the Russians will step up their diplomatic drive to counter U.S. Secretary of State Dean Acheson's recently declared policy of "total diplomacy."

They believe the Russians intend to tackle every international issue of interest of them or in which they see the United States trying to take the offensive.

Loss of Activity

Veteran diplomats in Moscow say they have never seen as much diplomatic activity as that in which Russia is presently engaged. The "total diplomacy" speech which apparently has stirred all this Russian activity, was key-noted by Acheson's call to the American people to join in a concerted drive against Russia's plans for "world domination."

Britain's Labor government today ordered to unload ships tied up in London port by a wildcat dockers' strike denounced by cabinet members as Red-inspired. The government decision was made after the walkout threatened to halt all operations in the sprawling dockyards.

Junior C. of C. Has Elected

ST. JOSEPH, Mo., April 24—(AP)—Dr. Stanley Peterson of Springfield is the new state president of the Missouri Junior Chamber of Commerce.

Peterson was elected Saturday at the annual convention. The session closed Sunday.

Other new officers: Norval Satterfield, Jefferson City, first vice president; Leroy Robertson, Springfield, treasurer; and Lee A. Bowman, Sikeston, Don Fraser, St. Louis county, John McGehee, Joplin; Charles Baird, Maryville, David Donnelly, Lebanon, Charles Muellersham, Festus, and Frank Kenyon, Cape Girardeau, vice presidents.

Train Strikes Work Car

WELCH, W. Va., April 24—(AP)—An eastbound Norfolk and Western railway train struck a work train in a tunnel at Kimball today and killed five members of the crew.

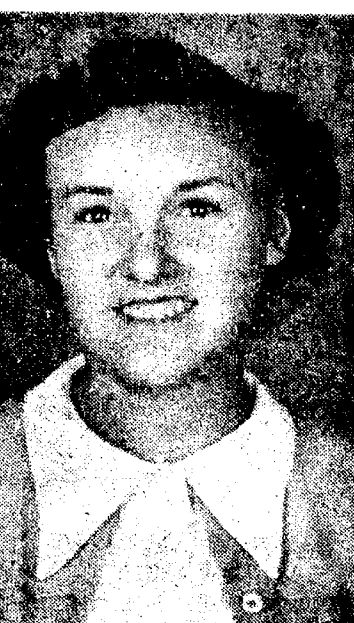

Railroad officials here said a sixth workman was injured and had been brought to a hospital here.

Identification of the dead men and the injured persons was not immediately available.

Officers of Smith-Cotton Councils

Left: Gene Williams, son of Mr. and Mrs. Herbert A. Williams, 1600 South Kentucky avenue, who was elected and will take office of senior council president at the Candelight Service at Smith-Cotton high school, which will be held Monday, May 15. Right: Robert B. Stanley, son of Mrs. Dorothy Stanley, 706 West Seventh street, will be installed at the same service as vice-president for 1951.

Left: Gene Watts, son of Rev. and Mrs. J. W. Watts, 1605 South Carr avenue, who was recently elected to the position of student council president for the junior high school. Right: Shirley Kirkpatrick, daughter of Mr. and Mrs. Lloyd Kirkpatrick, 1800 East Twelfth street, who is the vice-president elect of the junior high school council.

Hunts Vehicle In Kansas City, Finds it Here

State Trooper Off Duty Accidentally Sees Motorcycle

A State Highway Trooper may be working his regular shift, but he's never off duty when it comes to looking for someone or a stolen vehicle. This was proven Sunday by Trooper Ralph Rider, who worked his regular shift in Kansas City out of troop headquarters in Lee's Summit, looking for a stolen motorcycle. Then he came to Sedalia, and about 9:00 o'clock Sunday night he found the motorcycle he had been looking for, going down Broadway.

The patrol received a report a motorcycle had been stolen at Olathe, Kansas, and was believed to have been ridden to Kansas City. Trooper Rider went to the races, and checked what he told fellow troopers, he thought was at least 500 machines—but no stolen cycle could be found.

Finishing his shift for the day, Rider decided to come to Sedalia to visit with relatives and friends. Riding down Broadway, he noted a motorcycle in front of him, and behold it had the license number, the one for which he had been looking.

Tracked the Rider

He began to trail the rider and followed him down several side streets until they reached Wilkerson and Quincy avenue, when he pulled up alongside and motioned the rider to stop.

Getting out he questioned the fellow and then took him to police headquarters, where he was (Please turn to Page 6, Column 2)

Youth Slashes Young Mother

MOUNTAIN HOME, Ark., April 24—(AP)—A 16-year-old orphan boy who said he had been planning the deed for two days slashed a beautiful young mother nine times with a hatchet as she lay sleeping in her cotter, Ark., home last night.

Baxter County Sheriff Ernie Gentry said Albert Clay Roberts, who lived with an uncle next door, admitted the attack on Mrs. Ralph Connelly, 19, while her husband was working at the Bull Shoals damsite.

Mrs. Connelly was in a critical condition at a Gasville, Ark., hospital this morning. She had five wounds in the head, two in the neck, one in the left lung and another over the right kidney.

Gentry and Arkansas state police brought young Roberts, slightly-built eighth grade pupil, to Mountain Home for questioning after they found a blood-stained hatchet hidden under a mattress in the boy's room. Then they took him to the state hospital at Little Rock for observation.

The sheriff said that when asked why he did it, the lad replied: "If I knew, I'd tell you. I'd been planning it for about a couple days."

Asked if he knew he would get caught, Roberts was quoted by the Sheriff as saying: "Yes, I knew it just after I did it."

Lions Escape From Circus

BADEN BADEN, Germany, April 24—(AP)—Two lions escaped from a circus near here today and clawed a 20-year old German girl to death.

Police said the victim, Elfriede Lauber, was walking near the circus ground in Buchlethal. The lions were captured a few hours later.

Atomic Energy Commission's Administration Bldg. Burns

BERKELEY, Calif., April 24—(AP)—Fire, accompanied by a series of minor explosions, destroyed the Atomic Energy Commission's administration building here last night.

AEC officials declined to answer such questions as (1) whether any irreplaceable scientific data was lost, (2) what the building contained, or (3) how great was the loss in dollar value.

Brilliant flames shot high from the two-story frame building, attracting thousands—including scientists intent on saving notes on experiments. At least one scientist was barred from entering because of the danger.

Quickly posted security guards prevented anyone entering the AEC-cyclotron area, which is enclosed by a high, electric fence. The university of California's

giant \$9,000,000 cyclotron, in a concrete building 100 yards away, was not damaged.

No News Given Out

AEC officials gave out no news whatsoever. However, one commented "It was an intense fire with tremendous heat and many sparks and conceivably could have set off a catastrophic fire."

One of the security guards said the AEC building housed a "maze of apparatus." A fireman reported he saw drafting tables, a laboratory and a big vault.

The FBI joined the AEC in an immediate search for the cause of the fire.

The flames were controlled in 40 minutes, but burned several hours.

No one was working in the building when the fire started at 10:45 p.m. (1:45 a.m. EST)

Rush on Filing Over Weekend; 25th Last Day

A. H. Wilks Seeks Nomination for Eastern Judge

The "deadline" on filing for office is drawing near. Tuesday is the final date for filing, but a big rush was on the past weekend of candidates seeking to become members of their respective party committees. Filing for public office however is still slow, although three paid their filing fee on Saturday, two Republicans and one Democrat.

A. H. Wilks, 116 East Broadway, former mayor of Sedalia, is now seeking the nomination for judge of the Eastern District to the county court, on the Republican ticket. He has no opposition as yet.

Michael J. Bogutski, 219½ South Ohio avenue, Republican, who lost in the race for city attorney in the recent city election, has filed for the party nomination for prosecuting attorney. Bogutski is the only Republican to file for this nomination to date. William F. Brown, 1102 New England Drive, Democrat, present prosecuting attorney, filed for his party nomination several weeks ago.

A. Hugh Janes, 1113 West Third street, has filed for the Democratic nomination for county clerk.

Final Concert of Symphony Tonight

The Sedalia Symphony orchestra, Abe Rosenthal conductor, will close its 1949-50 season tonight with the final concert of the year in the auditorium of Smith-Cotton high school, starting at 8:20 o'clock. The orchestra will feature both classical and lighter works of composers such as Grofe, Rodgers and Hammerstein II and Rube Bloom.

Guest artists will be the talented duo-piano team, the Nettleton twins, Jeanne and Joanne of Kansas City.

First Edition Brings \$1,344

LONDON, April 24—(AP)—The first issue of the first edition of Boswell's Life of Johnson was sold to Philadelphia bookdealer Dr. Samuel Rosenbach for 480 pounds (\$1,344) today.

The volume was published in 1791 and contains "the conversation on conjugal infidelity." It was part of a collection of Johnsoniana sold at auction by the executors of the late A. B. Burney.

Important Events In World News

WASHINGTON, April 24—(AP)—The House today voted a \$279,000,000 expansion of the veterans' hospital program.

It passed and sent to the Senate, by voice vote, a bill directing the Veterans' Administration to proceed with construction of 24 new hospitals and expansion of 14 others.

In effect, this restores a 16,000-bed cut in the hospital program which President Truman had ordered in 1948.

There was only an hour of debate, during which Rep. Davis (R-Wis.) called the bill a "political gesture" and predicted that Mr. Truman would veto it.

WASHINGTON, April 24—(AP)—W. Stuart Symington, retiring Secretary of the Air Force, said today the combat effectiveness of the Air Force has decreased in the last six months.

He told a news conference the drop in effectiveness is a result of cuts in numbers. He said the forces remaining have increased in efficiency.

Symington's estimate came on the heels of a series of reports from the armed services to Congress. These reports told of cutbacks as economy moves, but indicated no concern over present strength.

STOCKHOLM, Sweden

April 24—(AP)—Three more possible clues to the fate of the missing U.S. Navy patrol plane—another raft, a radio call sign book and a lettered piece of wood—were found today floating in the Baltic over the week-end.

The radio book and the unpainted pieces of wood stamped with black lettering in English were found Sunday on a Baltic island beach just off the southeast coast of Sweden. The raft was picked up by fishermen Saturday.

Swedish officials said all of these possibly may belong to the plane which the United States says was shot down with its crew of ten by Russian fighters over the Baltic two weeks ago. A Swedish coast guard official said the raft "looked as if it had been hit by bullets."

TOKYO, April 24—(AP)—

A 23-man graves registration team late today arrived at the wreckage of a U.S. Air Force transport plane in which 35 Americans were killed Friday night on Mt. Higuratake.

They planned to identify and bring down the bodies, probably tomorrow.

The U.S. Army called for 130 Japanese to help. There were no survivors.

The dead included Frank E. Pickelle, 40, Chicago, chief of General MacArthur's foreign trade section, and Capt. John C. Jones, chief of staff of U. S. naval forces in the Philippines.

Knife And Fork Club Dinner at 6:30 Tonight

The Knife and Fork club dinner will be held tonight at 6:30 o'clock at the Bothwell hotel which is a little earlier than usual because the meeting falls on the same night as the symphony concert.

Art Bries, the "American Night of Satire" will be the guest speaker.

Killed in Collision

ST. LOUIS, April 24—(AP)—Lewis Ridenhour, 25, of suburban Berkeley City, was killed yesterday when his automobile and a truck collided on U. S. highway 66 near highway 40 in St. Louis county.

Four other persons were injured in the collision.

The Weather

Central Missouri: Warm and windy this afternoon, highest in 80s. Partly cloudy with thundershowers tonight, lowest by morning in upper 40s. Tuesday partly cloudy and cooler, highest in 60s.

State Rep. in Florida Shot, Killed in Office

Retired Meat Cutter Held in Jail For Investigation

ST. PETERSBURG, Fla., April 24—(AP)—Rep. Charles J. Schuh, a floor leader in the 1949 Florida house of representatives for the force of Gov. Fuller Warren, was shot and killed here today and a 71-year-old St. Petersburg man confessed to the murder.

Detective Chief John S. Siers said he killed Schuh because of "rotten politics."

"I will sign a confession. I want to go before a judge and plead guilty—no trial, no anything," Siers quoted Gifford a saying.

Siers said the assault was identified as Gifford from police files after he had earlier given his name as Charles Ross of Bay City, Tex.

Schuh, shot five times, died in his office before help could reach him. Gifford was seized by an associate of Schuh's in the ante-room of the law office. Police found a revolver on Gifford's person.

Schuh's father, who heads the father-son law firm, said Gifford had called on his son around April 20. At that time Gifford had told Schuh's secretary that he wanted to discuss a "person matter" with the lawyer.

He returned again this morning, the father told police, and the shooting occurred shortly after he entered the office.

The elder Schuh said he did not know the nature of the "personal matter" Gifford had discussed. L. C. Deal, an associate of Schuh's, told reporters he heard a shot from the legislator's inner office and grabbed Ross as he emerged into the ante room.

John T. Fisher, a former justice of the peace, said that shortly before the shooting he saw Ross meet the legislator on a street corner, shake hands in a friendly manner and then separate.

Ross was held in the office of a private detective agency until city and state officers arrived. He submitted quietly to arrest.

Rand said Ross at first told him that he was engaged in an altercation with Schuh, but a few minutes later said:

"I don't know just what happened."

Schuh was one of Governor Warren's staunchest supporters in the state. It was largely through his fight in the House that the three per cent sales tax was adopted.

Schuh was running unopposed for renomination in the Democratic primaries, scheduled next Tuesday.

Keeps Girls From Drowning

ST. LOUIS, April 24—(AP)—A tragedy was averted yesterday because a 21-year-old youth—one of five riding in a boat that capsized—was able to keep the others from going down.

The group was in a small boat on the Mississippi river near the Chain of Rocks (U. S. highway 66) bridge just north of here. The boat overturned when a barge passed going north.

In the group were Mrs. Cecelia Zorumsky, 38; Rosemary Zorumsky, 16; Carol Zorumsky, 11; Isabelle Danis, 20; and August F. Koedding, III, 21 all of St. Louis.

Koedding, Mrs. Zorumsky and Miss Danis were thrown clear of the boat and managed to return to it and hold on. But the young girls did not appear. Koedding dived under the boat and found them.

He brought them to the surface and helped them hold on until another barge, headed downstream, stopped to rescue the group almost an hour later.

Making Study of State Action If Telephone Operators Quit

JEFFERSON CITY, April 24—(AP)—Gov. Forrest Smith said today he thought the state would be helpless to act if telephone operators refuse to cross picket lines of striking installation workers.

Under Missouri's utility anti-strike law, the governor is empowered to seize and operate struck utilities. But Smith said he had been advised the law would not apply if a work stoppage results from refusal to cross a picket line.

He said Vance Julian, head of the state mediation board, is studying the question further. The board administers the utility anti-strike (King-Thompson) law. Telephone equipment workers struck today but no picket lines

Miss Pershing Seems Better

JEFFERSON CITY, Mo., April 24—(AP)—Miss Anna Mae Pershing, 83, sister of the late Gen. John J. Pershing, seemed much improved today but is still on the critical list, St. Mary's hospital reported.

Miss Pershing, whose home is Lincoln, Neb., suffered a paralytic stroke here two weeks ago. She had presented one of her famous brother's dress swords to the State of Missouri a few hours before she became ill.

Her physician, Dr. G. Donald Shull, said she failed in strength Friday and Saturday but yesterday seemed much improved. The general's son, Warren Pershing of New York, was here to see his aunt over the week-end.

Phone Official Wants All to Visit Building

See How Telephones Work And Meet Some Employees

"The people of Sedalia are invited to come to an Open House at the telephone building April 27, 28 and 29, to see how their telephones work and to meet some of the people who help provide telephone service," T. M. Mullaly, manager for the Southwestern Bell Telephone company, said today.

"We want everyone to go through the telephone building at 202 East Third street and make a backstage inspection of the telephone system," Mullaly said.

Hours of the Open House will be from two to five in the afternoons and seven to nine in the evenings. Some twenty men and women of the telephone company will act as hosts and hostesses to welcome visitors and show them around the building.

Some Highlights

As some of the highlights of the Open House, guests will see:

How operators in Sedalia handle about 45,000 local calls and almost 1,000 long distance calls a day;

Cables carrying as many as 4,000 individual wires in a lead sheath the size of a man's wrist, and a cable splicer demonstrating how he joins, or splices, the wires between two sections of this cable;

How a trouble shooter, working with special equipment, can locate trouble on telephone lines or in the switching equipment without ever leaving his chair.

Special exhibits also will help entertain Open House visitors.

Can Talk to Yourself

Everyone will have a chance literally to talk to himself. A tape recorder permits the visitor to hear his own voice as others hear it over the telephone.

Guests will see a model of Alexander Graham Bell's first telephone, which was developed in a Boston attic in 1875. In contrast will be the instrument now used in mobile radiotelephone service which brings telephone communication to moving automobiles and river vessels.

Visitors will inspect a cross-section of coaxial cable through which television programs are sent to chains of broadcasting stations.

Calls Have Increased

Emphasizing the extent of telephone expansion in Sedalia, Mullaly pointed out that in the last ten years, local calls have increased 60 per cent and long distance calls have gone up 150 per cent. Sedalia now has 8,270 telephones, more than 2,500 of which have been added since V-J day.

Eleven switchboard positions have been added in the same period to bring the present total to 43. The number of telephone employees has almost doubled in the last ten years, with 123 people now employed.

"To meet this growth, the telephone company has spent more than \$800,000 here since the war," Mullaly said.

'Phone Workers Are Out

Union States All Equipment Workers Out by Nightfall; Service Unchanged

NEW YORK, April 24—(AP)—Telephone equipment workers went out on strike from coast to coast today, but public phone service was not immediately affected.

Division 6 of the CIO Communication Workers of America predicted all its 10,000 members in the Bell System would be off the job by nightfall in 43 states and the District of Columbia. The walkout was slow in starting, the union said, because of the time zone factor.

Western Electric Co., target of the strike, reported 5,000 out at 11 a. m. (EST) but said it had not heard from the Rocky Mountain or West Coast states.

Meanwhile, company and union spokesmen continued negotiations with a federal mediator.

Attend Student Council Meet

Bill Franklin, Gene Williams and Robert Stanley, the present president of the senior student council, and the two newly elected officials for 1951, attended the Missouri Student Council conference which was held at Hickman high school in Columbia Friday and Saturday.

The group registered Friday at 12:45 p.m. and met at a general assembly which was held to welcome the visitors. At his gathering Lt. Gov. James Blair spoke to the council members on the importance that government plays in school affairs and in life. He told them that the work that they were doing was excellent training for citizenship and commended them for their efforts.

After this assembly was adjourned, the students were given free time to visit the school and its campus.

At 6:00 o'clock the same evening a banquet was held for all members. Principal James Schmidt of Hickman high spoke to the group and told them of the importance of a student council in a school and how the conferences should be enlarged.

At 8:00 o'clock Friday evening the host council held a dance for the visitors.

That night the various councils stayed in the private homes of Columbia citizens interested in their work.

Saturday morning at 9:30 o'clock the councils met at a general assembly where they held the election of officers by cities. The officers for the coming year are: president, Warrensburg; vice-president, Springfield; secretary, Lincoln High of Jefferson City; and treasurer, Hamilton.

The councils discussed ten different ways of improving their councils at length and the meeting was adjourned.

Warrensburg will be the host for the next year's conference.

Miss Edna Snell is the sponsor for the Smith-Cotton high school councils.

Receive Honors In Speech Tourney

The Smith-Cotton speech department recently held a speech elimination tournament at the high school in which the following were chosen to represent the high school at the spring contest in Warrensburg: Public Speaking, Leo Eickoff Jr.; Prose Interpretation, Shirley Jo Wilson; Poetry Interpretation, John Mothersbaugh; and Extemporeous speaking, Bob Van Horn.

At the contest Shirley Wilson ranked first and excellent in her field and Bob Van Horn ranked alternate and excellent in his field.

This entitles the winner to go to the state contest at Columbia and the second to act as alternate.

Other awards at the contest went to Independence in Public Speaking, Jefferson City in Poetry and Versailles in Extemporeous Speaking.

The group was accompanied to Warrensburg by their coach Miss Anna L. Sawford.

JEFFERSON CITY, April 24 — (P)—Mrs. Robert E. Dallmeyer of Jefferson City has been named to the National Staff of the American Red Cross, it was announced here Saturday.

Mrs. Dallmeyer has been chairman of Red Cross volunteer services for Cole county for the past 18 months.

It's No Fun To Be Chubby'

Five-year-old Barrick Wilson, Jr.—a chunky youngster for his age—was put on a strict reducing diet after being freed from this trap. Playing in the garage at his suburban Kansas City, Kas., home he found a 30-gallon oil drum and tried it for size. He squeezed in all right, but his right leg became doubled up in the maneuver. Stuck tight, he yelled for help. His mother summoned his grandfather, Lewis G. Wilson (left), and a neighbor, Ralph Kenne (center), who eventually chiseled him free, opening the bottom of the drum and pushing him through with the aid of firemen and deputy sheriffs. Tells of Symbol Of Liberty

Alex Dreier, in an address made on January 25, 1950, explained the Scout Crusade to "Strengthen Liberty" by telling the history of the statue of liberty. Eighty-five years ago, the symbol of liberty, a flaming torch of freedom—was erected to last forever on Bedloe's Island in New York harbor with half the money for it coming from France and half from America.

Many Americans have never seen the statue and for that reason the idea of a replica of it in every city, town and hamlet became the aim of the Boy Scouts of America with the money being raised in the same manner, by contributions from the people.

"So we ask you, we beg you," said Alex Dreier in his talk, "Get behind the statue crusade—and we will push with you. Because this is a torch that's going to burn for a long time to come—strengthen the arm of liberty—that's the crusading motto of the Scouts—in this, their 40th anniversary—this is dedicated to the symbol known as the Statue of Liberty—the girl in Bedloe's Harbor—the girl soon to be seen in every state of the union."

Five Years Term Given To Pencil Fiddler

JEFFERSON CITY, April 24 — (P)—A one-legged street merchant of pencils was convicted Saturday day on a charge of indecent exposure. He was sentenced to five years in the state penitentiary by Cole County Circuit Judge Sam C. Blair.

The man is James M. Van Horn, about 60, of Moab, Utah. He was charged with indecent exposure before two five year old girls. He told Judge Blair he had been arrested many times before on such charges but he never had bothered anyone.

Catches Tot in a Five Story Drop

NEW YORK, April 24.—(P)—The catch of the season—or any season—was made Saturday by Alfred Foschino.

He was passing by a housing development when he happened to glance up.

At a fifth floor window he saw a baby teetering on the ledge. Foschino sprinted to a position under the window and held out his bent arms.

He made the catch. A passing motorist drove Judith Meyer, two, to a hospital. Her condition was described as "not serious."

Smith Amused at Report He had Resigned

JEFFERSON CITY, April 24.—(P)—Reports from St. Joseph that he has resigned the highest office in the state government startled Gov. Forrest Smith Saturday.

Told of the reports, he first appeared surprised and then amused. "If the old man with the scythe doesn't get me first," Smith chuckled, "I'll finish out my term as governor."

Shriners Sponsor A Charity Show

The Sedalia Shriners will sponsor a Charity Show to be presented at the Smith-Cotton high school auditorium at 8:00 o'clock on the nights of May 4 and 5.

Participants of this Carnival of Dance will be pupils of the Peg'ee Hewitt Homan Dance Studio, who have recently been preparing songs, dances and other top entertainment for this show, which is being put on to raise money for crippled children.

Among the participants will be Mrs. Nellie Monegan, Emma Jean and Charlene Vaughan of Clarksburg, Tula Van Dyne, Eddie Arquitt, Myrna Lee Miller, Charlene Maness, Dorothy Dey, "Billy" Hurt, and David Hood, and a number of others.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them.

They represent that an extra fireman is needed for "safety" reasons. Here's

what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

Report Given On Methodist Conference

**Held Recently
At Preston, Rev.
Bartley in Charge**

The Sedalia District Conference of the Methodist church was held at Preston on April 18 from 10:00 o'clock in the morning until 3:30 o'clock in the afternoon with the Rev. E. W. Bartley, district superintendent, presiding.

The reports of the 36 charges in the district show decided gains over the same meeting last year. Most of the men have given full time to their work although four are teaching school and two have farms to keep.

For the first six months receipts are as follows: General benevolences, \$4,427.00; old preachers' fund, \$3,170.00; Golden Cross \$459.00; week of dedication, \$865.00; advance for Christ, \$5,256.00 and orphanage, \$1,206.

The salaries are in full for the first six months, also.

Parsonages Completed

Parsonages at LaMonte, Lincoln and Epworth have been completed and LaMonte and Epworth occupied. Rev. George Houghan, graduating at Drew Seminary June 1, will go to Lincoln as an assigned pastor June 15.

A report was given that 255 members were received by baptism and vows which is the largest report made at a mid-year meeting, and ingatherings for the half year are: First church, 62; Clinton, 52; Epworth, 50; Versailles, 42; Good Will circuit, 33; Windsor, 23; Fifth Street, 22; Appleton City, 21; Versailles circuit, 22; Smithton, 15 and Calhoun, 14.

Ready for Building Projects

Windsor, Versailles, Fortuna and Urbana are all ready to enter on building projects. The project of the Fifth Street Methodist church awaits the congregational acceptance of the plans to receive the green light. Clinton expects to begin the first unit of its new unit as soon as possible.

Rev. J. Roy Smith, pastor at Humansville, gave the sermon for the day and the Preston high school chorus sang.

Appointments for the fourth round of quarterly conferences were given out with the first to be held June 18, for the Versailles circuit at Ozark chapel on the lake.

Plans were made for a meeting on visual education to be held at

Social Events

Mrs. George Swope was hostess to the LaMonte Garden club at her home Tuesday, April 18.

The president, Mrs. Paul Moore, presided.

Following the business meeting an interesting program was presented on the subject: "Bright Plants for Dull Windows," with Mrs. Etha White as program chairman. Mrs. George Swope gave a talk on "How to Grow Gloxinias" and a poem was read by Mrs. White, "April Fairy." There were also interesting articles on cyclamen, azela and many other plants. A game contest was held with Mrs. H. A. Wade winning first; Mrs. C. N. Moore, second.

There were 13 members present.

The La Monte Garden club will entertain the Knob Noster Garden club with a luncheon at the May meeting at the LaMonte Methodist church.

CHURCH NEWS

The Sunshine Mother's club will meet at the home of Mrs. William Morgan, 920 East Sixteenth street, Tuesday evening at 7:30 o'clock.

Epworth, April 28. Rev. C. W. Schowengerdt, conference education secretary, in charge.

June 1 was set as the date for a conference meeting of all ministers, youth counselors and all youth who have made decisions for religious work to meet in a council on "Christian Vocational Guidance." The place is not yet selected but will probably be Springfield.

Report on Institutions

Reports were made on the Methodist orphanage, home for the aged, Central college, religious education department and the laymen's work.

Rev. Frank Stever, of Creighton, reported on the work of the Lord's Acre project in Henry county and the ten churches in the county now signed to this plan.

Rev. H. U. Campbell, conference treasurer, spoke on the subject of advance and crusade funds, both which are in advance of this time last year.

The Kansas City Conservatory of music will present "The Song Cycle In A Persian Garden" under the direction of Mrs. Paul Barnett, formerly of Sedalia, on Friday, April 28th at 8:15 p. m. in the William Rockhill Nelson Gallery of Art.

The program will feature four students of Mrs. Barnett.

The program is a song cycle set to music by Liza Lehman, the words are taken from "The Rubaiyat" of Omar Khayyam.

Church Dinner For New Members

Members of the First Christian church will put on a contributive dinner in honor of new church members Wednesday evening at 6:30 o'clock in the church basement. The turkey will be furnished, so no one needs to bring any meat.

The 99 new members and their families who joined the church since Rev. David Bryan came to Sedalia last July, are invited to come to the dinner as the honor guests.

Rev. Warren Pope of Warsaw will be the speaker. Special music will be played. Mrs. G. L. Haggard has planned a few games.

The nursery will be open for the children.

Bond Forfeited

Bill Dan Huhman, Jefferson City, arrested by the police for careless driving, failed to appear in police court, this morning, and his cash bond of \$25.00 was ordered forfeited by Judge Jerry Trotter.

Huhman had run his car into a ditch in the 1400 block on East Broadway about 10 o'clock Sunday morning. He was taken to the hospital after it was thought he had a heart attack, and after an examination he was removed to the police station.

Sunday afternoon he was released on the cash bond.

Resolution on Air Academy

John F. Zander, secretary-manager of the Sedalia Chamber of Commerce, addressed the delegates of the state convention of the Junior Chamber of Commerce Saturday at St. Joseph, asking the support of the Jaycees in locating the proposed United States air academy at the Sedalia Air Base.

Mr. Zander explained the importance of locating the academy in the central part of the United States and of the development it would bring to Missouri in many ways to have it in this state.

On Sunday morning a resolution was passed pledging the aid, assistance and support of the state Junior Chamber of Commerce to the project of locating the U. S. air academy at the Sedalia Air Base and to encourage all local Jaycees to take up the cause.

An invitation was issued and accepted to hold the next board meeting of the state Junior Chamber of Commerce in Sedalia. The meeting will be held the latter part of July and will be attended by about 100 Jaycees.

BUILT LIKE A BATTLESHIP

Here is the rugged chassis of the '50 Ford. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability . . . two of the many reasons for Ford's luxurious big car comfort and roadability. And for power you have a choice of two great economy engines...the 100-h.p. V-8 or the 95-h.p. "Six."

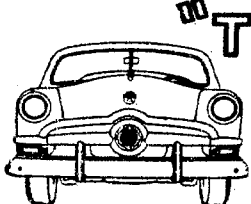

BUT WRAPPED LIKE A GIFT

You'll say this '50 Ford is outstanding for style. And the New York Fashion Academy agrees wholeheartedly with you. For the second year in a row, the Academy has awarded Ford its Gold Medal as "Fashion Car of the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value Ford is the new standard of value. And here's certified proof of Ford's great gas economy! In the recent Mobilgas Grand Canyon Economy Run, officially supervised by AAA, a '50 Ford "Six" with Overdrive won the economy championship of its class—the 3 full-size cars in the low-price field.

Ex-Sedalia Girl Making Good In the State of California

In a recent issue of a newspaper in Englewood, Calif., a picture of Mrs. Henry J. DeBry, who before her marriage was Miss Virginia Baker, daughter of Mr. and Mrs. Cleo Baker, 708 Manchester, Englewood, Calif., formerly of Sedalia, appeared with a story about her.

The story follows: "If there be those who still consider this only a man's world, the story of Virginia M. DeBry will bear evidence to the fact that a modern woman with charm, vision and ability can hold her own in the world of business and at the same time succeed as a wife, mother and home manager."

Native of Sedalia
A native of Sedalia, Missouri, home of the great Missouri State Fair, Mrs. DeBry lived there until completing her elementary education at Jefferson school and for the first three years of her high school at the city's Smith-Cotton high. At that point in her life, the family moved to the south-land and her high school education was completed at El Sereno. Her first position after graduation was in the offices of the Los Angeles Sanitary Can Machine company. During her five year there, her progress was rapid.

by being made secretary to the president of the company. Next came a position with the Harvill corporation and while filling an important post in the company's accounting department she married her boss. In 1944 Mrs. DeBry retired to manage her home and to get her lovely little daughter started in life.

Designed Building
Four years later she designed and had built the building at 710 West Manchester and installed her business, infant's, children's and teen-age apparel known as the Bobby Soxer. Her success has been substantial. She is a member of the Business and Professional Women's Club and the Christian church.

"She was joined in marriage with Henry J. DeBry on October 23, 1942, in the Englewood Christian church. DeBry is now controller of the Advance Gear and Machine Corporation of Los Angeles. The couple has one fine little daughter, Cheri Lyn, age five. The DeBrys enjoy touring by automobile, dancing, roller-skating and horseback riding."

The grapefruit received its name from the fact that the first fruit is borne in clusters similar to a bunch of grapes.

OBITUARIES

Mrs. Pearl M. Lucking
Mrs. Pearl M. Lucking, 77 years of age, of Kansas City, died Sunday morning at a sanitarium near Independence, Mo.

She was born at Arrow Rock, Mo., on April 1, 1873 and was married to Henry A. Lucking, November 7, 1895 in Sedalia, at the Fifth Street Methodist church with Rev. B. B. Alton, conducting the marriage ceremony. Shortly after their marriage, the couple moved to St. Louis, and for the past 28 years, had been residing in Kansas City.

She was a member of the Nazarene church for 50 years. Surviving are two sisters, Mrs. O. L. Michaels of Lynwood, Calif., and Mrs. H. H. Hawkins, Amarillo, Tex. Mrs. Marvey Hale of Sedalia was a sister of the late Henry Lucking.

Funeral services will be held at 7:30 o'clock this evening at the Stine and McClure chapel in Kansas City. Graveside services will be held Tuesday afternoon at 2:00 o'clock at Crown Hill cemetery in Sedalia, with H. U. Campbell, officiating.

Mrs. Fannie Huff Service
Funeral services for Mrs. Fannie Huff, 92 years old, of Knob Noster, were held Friday afternoon at 1:30 o'clock at the Knob Noster Baptist church.

Music was by a quartet composed of Mrs. S. L. Doggett, Mrs. Russell Kendrick, William D. Covey and W. J. Carr, who sang: "Jesus, Savior, Pilot Me" and "Jesus Lover of My Soul," accompanied at the piano by Mrs. C. F. Covey. Mr. Covey sang a solo, "Crossing the Bar."

Funeral services for Mrs. Julia Golden Murphy, 79, 4432 Fairmount avenue, Kansas City, formerly of Sedalia, who died in Kansas City Saturday, will be held at St. Patrick's church in Sedalia at 9:00 o'clock Wednesday morning with the Rev. J. T. Nolan, officiating.

The body will be brought to Sedalia early Tuesday and the Rosary will be recited at 8:00 o'clock Tuesday night at McLaughlin chapel.

Burial will be in Calvary cemetery beside the grave of her husband, the late John J. Murphy, who died in 1932.

Mrs. Murphy was born in Fort Scott, Kas., the daughter of Dennis and Mary Golden and was reared in Sedalia. She moved to Kansas City in 1924 from St. Louis and was a member of the Guardian Angel Catholic church and Altar Society there. Mr. Murphy was formerly assistant superintendent of dining service for the M. K. railroad.

Surviving are one daughter, Mrs. Josephine McGee, of Chicago; one son, Sterling Murphy, of Kansas City; one sister, Mrs. Nora Giffie, of Kansas City and three grandchildren.

BIRTHS

Daughter, born to Mr. and Mrs. Ben Knaus, of Salt Lake City, Utah, April 16. Weight: Seven pounds. This is their second child. Mr. Knaus formerly lived at Knob Noster.

Daughter, born to Mr. and Mrs. Lawrence L. Ulmer, 1118 1/2 East Fifth street, April 15 at the Warsaw clinic. Weight, six pounds, three ounces and has been named Sherie Lynn.

Traffic Case
Norman E. Thiele, Green Ridge, arrested by the State Patrol on a charge of careless and imprudent driving, pleaded guilty to Acting Magistrate John C. McCloskey, and was fined \$25.00 and costs, this morning.

Thiele figured in an accident on the west Main street road Sunday.

Our funeral home is arranged to combine efficiency and beauty. Our canopied driveway, with private entrance for family, affords complete privacy or those we serve and eliminates all traffic problems.

Class Hatred Says Churchill

LONDON, April 24 (AP)—Winston Churchill hurled charges of "class hatred" and "class warfare" at the labor government today in debate over the proposed budget.

While he signified approval of some proposals made by Chancellor of the exchequer Sir Stafford Cripps, Churchill was vehement in general denunciation of labor's financial policies.

"Hate," he declared, "is not a good guide in public or in private life. I am sure class hatred and class warfare, like national revenges, are the most costly luxuries in which anyone can indulge."

Churchill, leader of the Tory opposition to the shaky Labor government, promised in the House of Commons that his party would vote against increased gasoline taxes and a one-third tax on commercial vehicles on Wednesday when the budget proposals come up for a piecemeal vote.

The government had proposed that for the fiscal year which began April 1 taxes on gasoline should be raised nine pence (10 1/2 cents) a gallon.

Churchill described this as "a new burden on the traveling public."

The tax on commercial vehicles, he said, was "a direct attack upon the economy and efficiency of our production and distribution."

Take Flowers From Grave

In somebody's garden next year there will probably bloom some tulips that have been taken from a little girl's grave. Perhaps in some garden this year were tulips and hyacinths from the same little grave.

A year ago this spring the tulips and hyacinths were about to bloom, or were already in bloom on the grave of Elaine Schaberg, 14, who died four years ago. Her mother, Mrs. W. S. Jeffries, 1801 South Park avenue, had bought bulbs and planted them on the grave of her little girl so that in the spring time there would be bright blossoms there, but some thoughtless person went there and dug up the bulbs, maybe to plant in their own gardens, maybe to sell in blossom, maybe to save until fall to sell the bulbs.

The mother was terribly hurt when she went to the cemetery and found the flowers gone from the grave—but she felt it would not happen a second time. So last fall she bought more tulip bulbs and planted them on Elaine's grave only to have someone go to the grave and again dig the tulip bulbs just at the tulip season.

Another to File For Congress

SPRINGFIELD, Mo., April 24 (AP)—Wilbur C. Bothwell, 39-year-old professor of economics at Drury College, said today he will file as a candidate for the Republican nomination for congress from the sixth district.

Bothwell said he'll use as his campaign theme "a crusade against the cockeyed economics of the present administration."

It will be Bothwell's first bid for public office. He is a graduate of Drury College, did graduate work at Washington University in St. Louis and served several years as an instructor in economics at Washington University. He also served as a senior staff member of the governmental research institute in St. Louis.

One of Bothwell's opponents for the Republican nomination will be a neighbor, O. K. Armstrong, free-lance writer and former Missouri legislator, who lives across the street from Bothwell here. A third candidate for the nomination is Harvey Dow of Sedalia.

Anti-Bookie Activities

KANSAS CITY, April 24 (AP)—Anti-bookie activities continued over the week-end on both sides of the Kansas-Missouri border in Kansas City.

In a raid Saturday, police smashed two doors with a sledge hammer to enter a second-floor storeroom which officers said was used as horse race booking agency in Kansas City. Mo. Six men were arrested and telephones and horse book equipment was seized.

Summer in London
LONDON, April 24 (AP)—The guards at Buckingham palace wore their scarlet uniforms and huge bearskin hats today for the first time this year—an official indication that summer is here.

Scarlet uniforms or no scarlet uniforms, however, heavy snows, gales and hailstones swept many parts of Britain.

Missing in Violent Rain
CHICAGO, Ill., April 24 (AP)—One person was missing in a violent rain and windstorm that lashed Illinois last night and early today.

Extensive damage was reported. Searchers patrolled the Mississippi river for the body of Richard Mitchell 25, of Cape Girardeau, Mo., member of a tugboat crew.

Nat'l Guard History Traced

General John C. McLaughlin, commanding general of the 35th Division of the National Guard was the speaker at the regular noon meeting of the Sedalia Rotary Club today.

General McLaughlin traced the history of the guard since its beginning in 1636—it was the first of the military services organized—and outlined the important part the Guard has taken in all local and national emergencies.

He outlined the distinguished service which this branch of the service has given to bring about the growth and prosperity of our nation, and told of the opportunities for specialized training, and of the pay and retirement pension plan which is open to guard personnel.

Guests Presented
Guests presented by Z. Lyle Brown were: Charles M. Withrow, Rotarian of Tarkio, Missouri, and Lou L. Studer.

Fred Brink, district conference attendance chairman told of the coming District Conference to be held in Lexington, Missouri on May 14th and 15th and more than fifty members announced their intention of attending the Sunday session.

Forest Drake was elected by the membership to serve on the Board of Directors during the coming Rotary year, which begins July 1st.

The meeting was presided over by Oscar De Wolf, president, and the speaker was introduced by Lawrence Barnett, April program chairman.

Phone Workers Are Out

(Continued from Page One)

C., 300; Kansas City, 300; Louisville, 40; Atlanta, 30; Columbus, O., 25; Cincinnati, O., 75.

Talks Collapsed
The telephone strike was begun by members of division six of the CIO Communications Workers in 43 states and the District of Columbia. Contract talks in a months-old contract dispute collapsed Sunday night.

Although the strikers do building and maintenance work only their walkout could have an immediately paralyzing effect if they set up picket lines which other telephone workers would refuse to cross.

The union announced, however, no picket lines would be established before midnight tomorrow when President Truman's wage strike truce in the case ends.

Minor Grievance
A minor grievance at South Bend, Ind., was blamed as the immediate cause of the strike, but a wage dispute had been under negotiation since last October.

The South Bend case came to the surface nationally over the week-end and was treated by the union as one of the strike issues. Company spokesmen insisted it should be submitted to a grievance committee.

That dispute stemmed from refusal of six men to walk through a muddy field to their jobs on a television tower under construction.

The company told the men that unless they reported for work at the tower they would be dismissed. Other union members supported the men in a strike of their local 104.

"The strike has been called because the union has patiently negotiated with the company since last October," Henry Mayer, the union's counsel, said last night.

"This, coupled with the recent situation in South Bend and the company's stubborn refusal to do any bargaining, convinces the union that a strike is the only remedy open."

Further peace talks were scheduled for today, however. The union has asked a straight 15-cent an hour wage boost, shorter hours, quicker advancement rates, and pension benefits which the company said added up to a total of 37 cents an hour increase.

Will Is Filed
The will of Wesley Kroeck, who died April 17, has been filed in Probate Court. The will was made June 17, 1947. Mrs. Mabel Kroeck of near Sweet Springs, was named as executrix of the estate.

Heirs were listed as the widow, two daughters and one son. No attorney was appointed.

Methodist Minister Dies
INDEPENDENCE, Mo., April 24 (AP)—Jacob Barker, 101, German-born, former railroad worker and Methodist minister, died here yesterday.

Barker retired as a Methodist minister, after serving in a pulpit at Lindwood, Kas., 41 years ago. Then, at 92, he was baptized as a member of the Reorganized Church of Latter Day Saints.

He lived here for five years.

Admitted To Hospital
J. Merle Raines, son of Mr. and Mrs. Ollie Raines, of Longwood, was admitted to the Veteran's hospital at Wadsworth, Kas., on April 19, for treatment.

Liberty Park Amusements

The Sedalia Park Board is endeavoring to provide more entertainment at Liberty Park for both the children and grown-ups.

Several weeks ago, the park officials held a number of meetings, relative to authorizing concessions at the park, and this morning the board entered into a lease agreement with J. A. Westhusing for the Liberty Park skating rink.

Westhusing recently purchased the rink from W. H. Schmidt, who operated it for the past two years. The city doesn't own the building. However, it supervises operation of the rink and collects a rental fee for the use of the ground, on which the building stands.

In order to provide more entertainment for the children, the board has authorized L. E. Pettit, 409 East Fifth street to operate a pony ride concession in the west part of the park.

The board has also authorized, if final arrangements can be made, R. Elliott, 1307 West Third street, to operate a miniature railroad ride in the park.

Start Work on Copying Books

Miss Rose Leibbrand, 908-A South Vermont avenue, has been appointed by Mayor Herb Studer to copy the City of Sedalia assessment books from the County Assessor books of County Assessor Lawson Clingan. The work is being done under the supervision of Joseph Potts, newly elected City Assessor. The city accepts the county's assessment.

She is using the office of Miss Hazel Palmer county collector, whose office has a typewriter suitable for the copying of the books.

City Assessor Potts is also copying the books. The work must be completed by June 1, to turn over to City Collector Paul Alpert so he can prepare the tax statements for the City of Sedalia.

It was explained the reason they are a little late in getting started is because City Assessor Ed. Gorman died several weeks ago and no Assessor was appointed to fill the vacancy, leaving the work to be done by the newly elected Assessor.

Heat Record At St. Louis

By The Associated Press
The heat wave which set some new records over the week-end had lost its steam over most of the northern half of the nation today.

But clear skies and very warm weather continued over the southern states.

The coolest weather was in the northern plains states where Duluth for Duluth Windows," with 30 degrees. But Boston had a nip-py 42, and in the far northwest, Seattle had a low of 38.

Women Crushed to Death Under Car

PERRY, Okla., April 24 (AP)—A 17-year-old Wichita, Kas., wife was killed today.

Mrs. Mary Irene Wise was crushed to death when the car highway patrol troopers said was stolen in Wichita left U. S. highway 77, eleven miles north of here and overturned.

Her husband, Robert Edward Wise, 16, the driver and Judy Barbara Moore, 16, both of Wichita, received minor cuts and bruises.

Troopers said the three were traveling towards California Wise and Miss Moore are jailed in Perry.

Dismissed: Ralph C. Frisbie, route 4, Sedalia.

Dismissed: Mrs. H. O. Wilbur and son 1001 West Third street.

Letters Issued
Letters of administration are being issued by Judge A. M. Harlan of Probate Court to Edward Carry Beaman, in the estate of his brother, Philip A. Carry, who died July 10, 1949.

The petition for letters listed heirs of the estate as the widow of Carry, his brother, eight nephews and six nieces.

Leo J. Harned is the attorney for the estate.

Vandals Break Windows
Vandals broke between fifty and seventy-five windows in the City of Sedalia Garage, Montgomery avenue and the railroad tracks, sometime Saturday night or Sunday, according to a report to the police. It was believed the windows were either shot out by boys using BB-guns or by boys throwing rocks.

Cecil Glenn, welfare and juvenile officer, and the police are conducting an investigation.

Sedalia Club Takes Part in Convention

Nineteen members of the Sedalia Business and Professional Women's club attended the state B.P.W.C. convention held in St. Louis over the week-end.

The convention convened Friday afternoon with Mrs. A. R. Rush, president of the Sedalia club, giving the invocation at the opening session. Mrs. Mildred Lass, Warrensburg, state president, presided at the meetings.

The outstanding feature of the convention was the banquet Saturday night at which the speaker, Margaret Culkin Banning, noted author, gave a talk on "Manners of the Democracy."

New officers were installed at the Sunday luncheon by Miss Helen Irwin of Des Moines. The officers installed were Miss Flossie Bucklew, Kansas City, state president; Mrs. Pearl Archer, Mountain Grove, first vice president; Miss Adeline Hardin, Slater, second vice president.

Miss Pauline Mandigo, of New York, who is in charge of the news service on the National Federation, was also present.

Sedalians Took Part

Mrs. Everett White was chairman of the elections committee and Mrs. Ivan Berry was convention chairman for Sedalia.

Those attending from here included Mrs. Rush, Mrs. White, Mrs. Berry, Mrs. Ruth Riley, Miss Eva Evans, Miss Hazel Palmer, Miss Rose Liebbrand, Mrs. Frank Wagner, Mrs. J. F. Schumacher, Mrs. Ike Warren, Mrs. William Bond, Miss Daisy Martin, Mrs. Mabel Menefee, Mrs. Atwell L. Bohling, Mrs. R. A. Malone, Mrs. Nellie Monegan, Mrs. Mary Jane Mullins and Mrs. John Welch.

Miss Cecile Tibberty of Chicago, a former Sedalian and a charter member of the Sedalia B.P.W.C., who has never transferred her membership, joined the Sedalia group in St. Louis, and spent the week-end with them. Miss Tibberty had previously written members of the B.P.W.C. here who were particular friends of hers and made arrangements to meet them in St. Louis to attend the convention.

Attend Meeting In St. Louis

The Grand Council of Missouri, International Order of Job's Daughters, held its twenty-sixth annual session at St. Louis, April 21 and 22, in the Commandery room of the Masonic Temple.

The following officers and Guardian Council of Sedalia Bethel No. 15, International Order of Job's Daughters, attended the session: Wanda White, Honored Queen, daughter of Mr. and Mrs. Everett White, 1440 South Beacon avenue; Carolyn Morgan, Sr. Princess, daughter of Mr. and Mrs. Ralph Morgan, 919 East Broadway; Kathryn Brown, Jr. Princess, daughter of Mr. and Mrs. Jerry Brown, 915 West Broadway; Ruth Anne Zulauf, Fourth Messenger, daughter of Mr. and Mrs. John Zulauf, 1001 South Harrison avenue. Donna Lynn Richardson, Outer Guard, daughter of Mr. and Mrs. Champ Richardson, 1020 South Harrison avenue; Mrs. Jerry Brown, Guardian of the Bethel, and Mrs. Everett White, Past Guardian.

Installation of Grand Officers for the State of Missouri was held Saturday evening after a banquet in the beautifully decorated Commandery room of the Masonic Temple. Among other Grand Officers installed, Mrs. Jerry Brown, Guardian of Bethel No. 15, was installed as Grand Fourth Messenger, for the State of Missouri, International Order of Job's Daughters. Mrs. Brown and the Bethel officers returned to Sedalia Sunday evening. Mrs. White remained in St. Louis on other business.

Pettis County Farm and Home News

Added Funds To Use In Soil Conserving

Notices Been Sent Out On Practices To Accord Approval

Notices of 1950 approved practices and assistance allocated under the Agricultural Conservation Program to each farm were mailed to participating Pettis county farm owners and operators last week, reports Jas. A. Harvey, chairman of the Pettis county PMA committee.

Official announcement in the form of a letter accompanying the mailed notice of approval informed the participating farmers of the availability of additional funds which may be approved for their farm to assist in the performing of five soil conserving practices. These practices include: the construction of sod waterways; standard terraces; diversion terraces; and ponds for livestock water, and the establishing of permanent pasture.

The additional assistance which may be approved for the performance of one of the above listed five "Special" practices will be in addition to that approval of which farmers have now been notified, explained Harvey.

Rates Are Given

The credit rate on the five "Special" practices is: Sod waterways—12c per cubic yard of earth moved in construction of the berms; Standard terraces—\$2.00 per 100 linear feet; Diversion terraces—8c per cubic yard of earth moved in construction; and establishing permanent pasture—\$12.50 per acre on field not requiring application of 3 tons limestone per acre; and \$17.50 per acre on field requiring application of 3 tons limestone per acre to meet specified requirements for performance of the practice. This credit rate under the 1950 ACP on the special practices is approximately one-half of the total cost of performance which might make considerable difference in whether or not some farm owners would be in a position to carry out such practices as he has planned for several years but just did not have quite enough money to do the job.

The total amount of assistance granted on the farm for the "Special" practices will be determined by the practice to be performed, the need on the farm, the relation of the practice to long-range soil and water conservation on the farm, and the availability of funds. It is the hope of the county and community committees, that through the special assistance offered for these practices, there will be an increase of the permanent types of soil and water conservation on Pettis county farms where they might not otherwise be performed.

The services of the PMA program are available to help farmers plan and establish sites for the various practices approved under the 1950 Agricultural Conservation Program where such services are not available through the County Extension Agency and other related agencies.

The county committee requests those farmers interested in performing one of the "Special" practices to call at the county PMA office, 209 1/2 So. Ohio, to discuss in detail the provisions of this additional assistance and make their request for the special assistance. This request should be made as soon as possible, however applications will be accepted throughout the year and performance of all practices will be given the attention of the county PMA committee and PMA programmen to determine proper specifications are met, stated Harvey.

Plan 4-H League At Softball

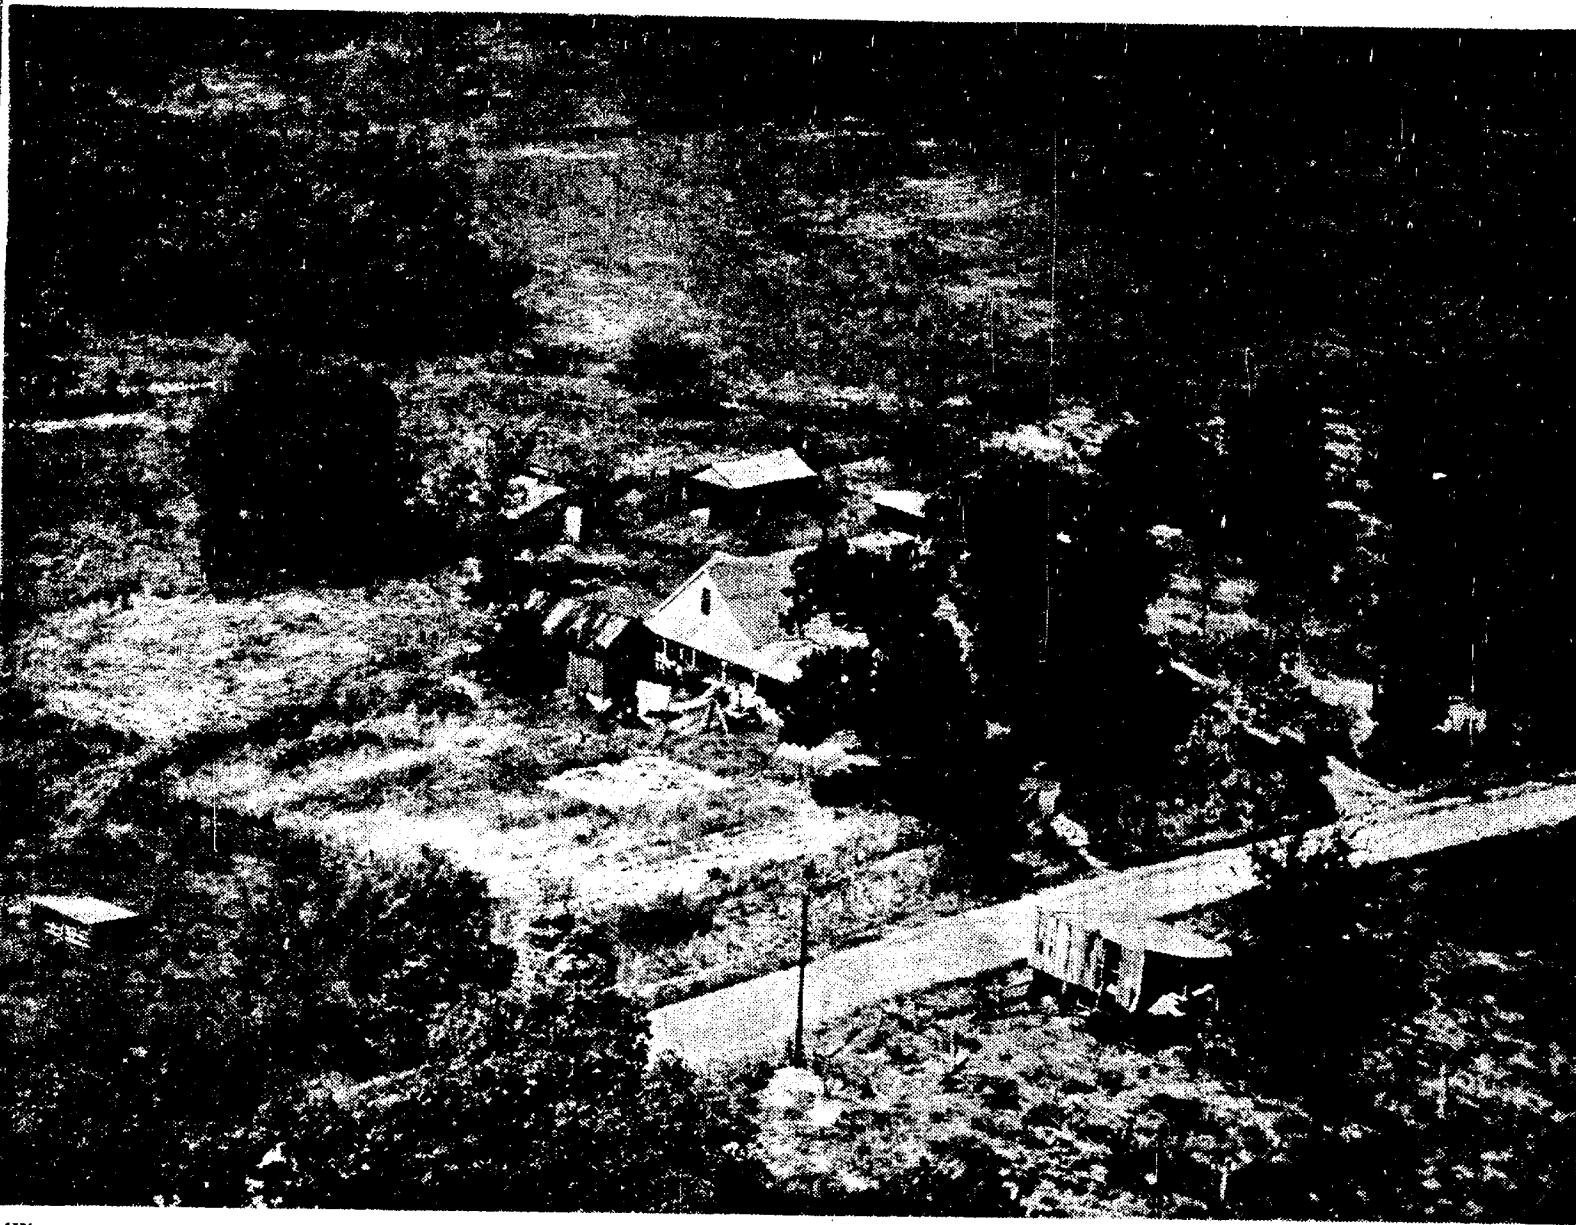

At the last County 4-H Council meeting the council moved to organize a county 4-H softball league and a committee was appointed by the council president to work out the details. 4-H members and leaders from each section of the county compose the committee.

This planning committee met with the County Agents on April 17 and after much discussion on the best procedure for organizing set up the following rules:

1. Any club that wishes to organize a team and participate in the county league must notify the extension office by not later than May 9.
2. Only 4-H club members will be eligible to play.
3. Clubs will not be allowed to combine to form a team.
4. A county wide tournament will be held at the close of the season to determine the top team in the county.

After the number of clubs that plan to organize a team is known the committee will meet again and set up a league schedule of games. It is hoped that the organization of a softball league will help create more interest in club work as well as provide recreation for the clubs involved.

Mystery Farm Pictures in Central Missouri---

Whose farm is it?

Occupants of the above farm home may have wondered this spring about a plane buzzing low over their buildings. The picture explains it. The airplane pilot

didn't know whose farm it was. The photographer didn't either. The two of them just flew around the Central Missouri area served by the Sedalia Democrat-Capital

They couldn't take pictures of all the farms but they got as many good shots as possible during the light time. So about once a week hereafter, until the pictures run out,

the Sedalia Democrat-Capital will print these farm home pictures as a news feature. The newspapers would like to know whose farm homes they are.

Earmark Pigs to Check on Grain

Shown above are left to right Emmett Fairfax, Howard Brown and Jesse Fairfax earmarking a Hampshire pig on the Fairfax farm recently. The Fairfax Bros. have earmarked nine litters this spring. Their farm is located 4 miles southeast of Sedalia.

Each pig in the litter is given the same mark. At weaning time, the pigs will be weighed. The weight of the pigs with the same earmark will be totaled together to find what the litter weighed at 8 weeks of age.

There is a close relation between rapidity of gains made by growing pigs before 8 weeks and from 8 to 6 months. Because of this, it is usually safe to forecast that the heaviest litters at eight weeks will be the heaviest at 6 months.

After the heaviest litters have been selected by the above method, the better gilts from those litters can be picked according to breed type, conformation, number of teats, etc.

Insurance For 1951 Wheat Crop

Federal Wheat Crop Insurance is available at the Pettis county PMA office on the 1951 and succeeding wheat crop years, reports Jas. A. Harvey, chairman county PMA committee.

Applications for wheat crop insurance with the Federal Crop Insurance Corporation must be signed by September 15, 1950, to cover the 1951 wheat crop.

The policy offered insures against loss of production of the wheat crop while in the field, due to unavoidable causes including drought, flood, hail, wind, winter-kill, insects, plant disease and such

other unavoidable hazards. The contract is continuous and shall remain in effect for each succeeding crop year until either the insured or the Corporation gives to the other, written notice of cancellation before the final cancellation date of June 30 of any year.

Coverage is established at a figure to protect the insured, in case of loss, for out-of-the-pocket cost in preparation of seedbed and seeding of the grain which in Pettis county is 7.2 bushels per acre if harvested; 6.5 bushels per acre if crop is not harvested; and 3.6 bushel per acre if released and put to another use. Cost of this insurance in Pettis county is figured on the basis of one-half bushel for each seeded acre in which the producer has 100% interest, or prorated according to percent interest in the seeded crop.

Quite a number of wheat producers who availed themselves of the wheat insurance on the 1950 wheat crop are already receiving settlement for damage suffered to their wheat last winter and are utilizing their fields for other crops. Other producers have seeded legumes or grass with their wheat and therefore do not choose to put the field to any other use and will not request inspection and appraisal of their 1950 wheat crop until harvest time and collect settlement due them on either the harvested or not harvested coverage.

Harvey stated there are no agents working in the county at

present to sell Federal Wheat Crop Insurance but wheat producers are urged to contact the county committee at the PMA office to learn the details of the contract and sign a wheat insurance application before the final date for acceptance.

Reception Night For the 4-H's

Pettis County 4-H club members, parents, and leaders are anticipating a full evening of entertainment at the Annual Pettis County 4-H recreation program next Saturday night. The meeting will be held at Convention Hall and will begin at 7:30 p. m. Recreation night is held annually to give everyone connected with 4-H club work an opportunity to get together for the sole purpose of just having a good time. All the entertainment will be under the direction of a recreation committee of club members, appointed by the county 4-H council president. This committee under the direction of Miss Anna Lee Harvey of the Walnut Grove 4-H club have planned a full evening of fun for everyone present. Various games including get acquainted games, folks games, action games and square dancing will provide entertainment for all age levels. Everyone attending is asked to bring a pencil.

4-H Training Meet Be on April 27

Fifteen counties are expected to attend the district 4-H Leader Training Meeting on Home Grounds to be held in the Assembly Room of the Court House on April 27. Miss Alice Mae Alexander, State Home Management Specialist will conduct the meeting. Miss Alexander will show colored slides relating to this 4-H project. The meeting will begin at 9:30 a. m. and last all day. All 4-H Home Grounds Leaders are invited to attend.

Testing Plan for Milk Production

The Owner-Sampler Plan of testing your cows for milk production is in operation now. It is one of the sure ways of knowing what each individual cow is producing of milk and butterfat per month and for each lactation. It takes some of the guess work out of dairy. This is very important at present and in the future. At present there are 10 herds with 140 cows on test on this plan. The herds number from 6 to 30 in each herd. A herd is never too small nor too large in number for this plan of testing. There were several cows that produced over 50 pounds of butterfat last month. The production of a herd is never

vides a time of fellowship and the opportunity for 4-H's to get better acquainted and to gain a broader understanding of club work through the exchange of ideas.

Refreshments consisting of soda pop and cookies will be served everyone present.

Sedalia Cubs Edged Mendon Sunday 3-2

Sedalia Pitcher, Bob Rapp, Struck Out 13 Batters

The Sedalia Cubs defeated the Mendon club Sunday at Mendon in the opening baseball game of the season for both teams, by the score of 3 to 2.

A large crowd watched the game, despite the strong wind, blowing dirt on spectators and players. Several times, umpires would have to call time. Many of the fans said it was one of the best games ever played on the diamond and a return game will be played at a later date.

Mendon got off to a good start, and led the Sedalia club 2 to 0. Vernon Kennedy, ex-big league pitcher, formerly of Chicago, Detroit, St. Louis, Washington, Cleveland, Philadelphia Nationals, and last year pitched with the Minneapolis team, was on the mound for Mendon.

Kennedy pitched a fine game, striking out nine men and allowing 10 scattered hits.

Cubs First Run

The Cubs scored their first run in the third inning when Charles Thompson got to first base on an error by the shortstop. Livingston then flied out; Slocum singled, and Thompson scored on Barr's infield out. George Thompson ended the inning by striking out.

The Cubs scored the other two runs in the ninth inning, when they were trailing 2 to 1. The first man up was George Thompson, who grounded out. Daniel's, the second baseman got a double; Barnes singled, then Humes hit a long double to center field, scoring both Daniels and Barnes. Rapp reached first base on a fielder's choice, when Smart, third baseman made an error trying to get Hume advancing to third base. Hume was called out trying to score on Thompson's bunt. Livingston struck out, ending the last inning.

The Cubs had several good chances to pick up runs in the fourth and fifth innings, when they made two or three hits, but could not break through for a tally.

Rapp Pitched For Cubs

Bob Rapp was on the mound for the Cubs, and pitched a good game, allowing only five scattered hits and striking out 13 men at the plate.

Mendon scored in the second inning. Kennedy flied out; Atterbury singled, Murphy singled, Hart walked, Stewart walked, forcing in a run. Neighbors and Smart struck out, ending the inning. The team also scored in the third inning when Welch singled; Mackholz struck out, Kennedy got to first on an error by Daniels; the runner then advanced on a passed ball and Welch scored from third, when he was hit by a ball thrown to the catcher by Barr, third baseman. Atterbury and Murphy struck out, ending the inning.

Rapp allowed only two hits in the last six innings, walked three men during the game. He had a lot of "stuff" on the ball, mixing curves, fast and knuckle ball. Hume worked behind the home plate.

Humes, Barnes and Slocum each got two hits for the Cubs, out of four trips to the plate. Welch got two hits out of five trips to the plate for Mendon.

Burton's To Sponsor Girls Softball Team

Burton's Ready-to-Wear, 209 South Ohio avenue, will sponsor Sedalia's girls' softball team this year. Bert Boldman, manager of the company, said today his team will be known as the Burton's Blues.

The team is composed of practically the same personnel as the Sedalia Toppers of 1949. The players have been practicing the past several days preparing for the coming season. Several players of last year have failed to report to date but are expected out this week.

Practice sessions have been enjoyed at the softball park, Sixteenth street and Center avenue, Smith-Cotton diamond, and also at Washington Park.

A Favorable Outlook For Boston Braves

Team Boasts One Of Hardest Hitting Clubs in Nationals

By Joe Reichler Associated Press Sports Writer

Give the Boston Nationals another reliable starting pitcher and you can start making world series reservations at Braves' Field for next October.

Five games may not be a true standard, but they've given the following indications:

The rebuilt Braves boast one of the hardest hitting clubs in the National League.

2. The outfield is the best since Manager Billy Southworth took over five years ago.

3. Pitcher Johnny Sain, ace of the 1948 championship squad, definitely is on the comeback road after a poor 49 season.

The Braves lost their first game of the infant season yesterday when they bowed to Philadelphia, 6-5 after winning the first game of the doubleheader, 4-3. The opening game triumph was their fourth of the campaign.

Cubs Still on Top

The split dropped the Braves into third place. Chicago's surprising Cubs, rained out of their game with St. Louis, remained on top with a 3-0 rating. Rain also washed out the Brooklyn-New York Giants game. In the only other National League activity, Pittsburgh ran up its fifth straight triumph, vanquishing the winless Cincinnati Reds, 5-3. It was the fourth straight loss for the Reds. Chicago's White Sox handed Detroit its first defeat of the season, 5-4. It was the Sox's first victory in five starts. The Tigers had won four straight.

The Boston Red Sox and Philadelphia Athletics divided a doubleheader. The A's won the opener, 9-4, and the Sox came back to take the nightcap, 12-2. A Cleveland swept both ends of a twin bill from the St. Louis Browns, 9-6 and 7-5, with darkness ending the second game after seven innings. Rain washed out the scheduled Washington-Yankee game at New York.

Noted Football Coach is Dead

ATLANTA, April 24—(P)—W. A. Alexander, who came to Georgia Tech in short pants 44 years ago and stayed to win national acclaim as a football coach, died in his sleep yesterday.

"Coach Alex," as he was known to thousands of friends and admirers, was 60 years old. He was athletic director of Tech's physical education department at his death.

Alexander, the first man to carry grid teams to the four major bowls—Rose, Sugar, Orange and Cotton, surrendered head coaching duties to Bobby Dodd after the 1944 season. He had been at the helm of Tech's football teams since 1920, when he succeeded his own coach, the late John Heisman.

Never able to make the grade as a player, Coach Alex left little to be desired as a coach. He was named coach of the year in 1942.

Although his 24-year reign as head coach was well-sprinkled with glory, his biggest moment came Jan. 1, 1929. That was when he took his Yellow Jackets to Pasadena and defeated California 8 to 7 in the Rose bowl.

In other bowl games, Coach Alex's teams beat Missouri 21-7 in the 1940 Orange bowl, lost to Texas 14-7 in the 1943 Cotton bowl, defeated Tulsa 20-18 in the 1944 Sugar bowl and lost to Oklahoma 26-12 in the 1945 Orange bowl.

His all-time coaching record was 133 games won, 95 lost and eight tied.

Alexander's health had been declining in recent years and he suffered several heart attacks last year.

Browns Lose Doubleheader To Indians

Rain Postponed Game Between The Cards And Cubs

By The Associated Press
The St. Louis Browns drew their largest crowd since the spring of 1947 yesterday—18,146 fans—but they let them go away disappointed as the Cleveland Indians took both ends of a doubleheader, 9 to 6 and 7 to 5.

In Chicago rain postponed action between the Cubs and the St. Louis Cardinals.

What the Browns were able to gain with homers—two by Ken Wood and one by Dick Kokos—they lost because of weak fielding and ineffective pitching.

Too Many Walks

In both contests the Browns gave the fans every reason to believe a St. Louis victory was in the offing. But in both cases the local club helped the Indians with an infield bobbie or too many free walks to first base.

Wood started the Browns off in the opener with his first four-bagger in the first inning, scoring behind Tommy Upton and Frank Afl.

But in the fifth Eddie Albrecht, who had kept Cleveland under control until then, walked four men, allowed Indian Manager Lou Boudreau a hit, and was further hurt by Owen Friend's error. Then Lou Kretlow came in to hit one man with a pitched ball and walk another. That accounted for five runs.

Tied in Sixth

Wood tied up the count again in the sixth with another home run while two men were aboard and in the ninth he doubled in a final rally. But a walk to Al Rosen in the seventh and Jim Hegan's double put the Indians in the lead for the first game.

In the nightcap Kokos put the Browns out in front 4-2 with his grand slam homer in the third inning. The Browns added one more run in the fourth and looked safe.

But Bob Lemon, the pitcher who had held them to five hits in the opener, pinchhit in the sixth with a homer, allowed Roberto Avila to singled. The Indians, having picked up two other runs in the fifth, added another in the seventh before the game was called because of darkness.

In addition to Friend, Upton and Frank Gustine had errors in the first game. Upton, Gustine and Friend were joined by Ned Garver in the second game error column.

Golfer Finally Makes The Grade

VIRGINIA BEACH, Va., April 24—(P)—Ben Hogan and Jim Ferrier and several other top-ranking professional golfers all were beaming today. For they could say: "Didn't we tell you he'd come through?"

Hogan, Ferrier and the others predicted long ago that Fred E. Hawkins, of El Paso, Texas, sooner or later would become a great golfer.

Hawkins, a quiet-mannered 26-year-old ace who has been playing big-time golf's tournament trail for nearly three years, finally made the grade yesterday. He won first place in the 54-hole Cavalier Specialists tournament.

In doing so, he disposed of Jimmy Demaret of Ojai, Calif., Ferrier, the Australian-born veteran from San Francisco, and most of golf's big names.

Hawkins put together rounds of 67, 64 and 69 for a 54-hole total of seven-under-par 200.

Hawkins picked up \$1,100 for his efforts. Clayton Heafner of Charlotte, N.C., took second place with a 202 total and earned \$950. Johnny Palmer of Badin, N.C., and Ted Kroll of Philmont, Pa., tied for third with 203s, collecting \$825 each.

Demaret, the Masters and North Fulton Open champion who was tied with Hawkins when they started the last round, had a 204 for fifth and \$750.

WIFE®

Jimmy Wilson, 25, World War II veteran who had parts of both arms and both legs amputated, stands with his fiancée, Miss Dorothy Mortenson, 23, after they announced their engagement at Jacksonville, Fla. They plan to be married June 8, three days after Wilson receives his degree at Florida university where he is attending pre-law school. The amputations resulted from injuries received in a plane crash in Connecticut in 1944. Miss Mortenson studied drama at the university and is working in Jacksonville. (AP WIREPHOTO)

IT GROWS BY THE FOOT—An ingenious "growing" bed, which can be made longer as the child grows, was shown at the annual exhibition of French gadget-makers, in Paris. Foot of bed has panels that pull out of the sides of the crib.

SAUCER OVER KOKOMO—Earl Baker of Kokomo, Ind., stands in his back yard and points to the spot in the sky where he says a "flying saucer" hovered for about two minutes at 200 to 300 foot altitude. Baker holds an artist's sketch made from his description of the object, which he said had a conning tower and portholes giving out a bluish light.

WHEREAS, the whole of the above described real estate was purchased and acquired by the said City of Sedalia, Missouri, as and for, and to be used as a municipal airport for the City of Sedalia, Mo., and

WHEREAS, said City of Sedalia, Missouri has been unable to obtain approval of said land for the purpose of acquiring, for the construction and maintenance of a municipal airport, of and from the Civil Aeronautics Administration of the Federal Government and the Missouri Division of Resources and Development of the State of Missouri; and

WHEREAS, failure to so obtain approval from the aforesaid governmental agencies of Federal and State Government, prevents the said City of Sedalia, Missouri from obtaining Federal aid and money and funds otherwise available, from said governing agencies for the establishment, construction and maintenance of a municipal airport by said City, and

WHEREAS, the said City of Sedalia has now obtained the approval of the Civil Aeronautics Administration of the Federal Government and approval of the Missouri Division of Resources and Development of the State of Missouri for another available and different site and location, and

WHEREAS, the Council of the City of Sedalia has by due and proper Resolution No. 71 passed by the Council on the 8th day of March, 1950, and approved by the Mayor on the 17th day of March, 1950, determined and declared it to be advisable for the said City of Sedalia to sell the above heretofore described real estate for the best and highest bid therefore for or all such bid, in said Resolution directed, I, the undersigned, Chairman of the Public Buildings and Grounds Committee of the Council of the City of Sedalia, Missouri, do here and now give public notice that sealed, written bids are invited and will be received for the sale of the tracts of real estate heretofore described up and until five o'clock P. M. on the 17th day of May, 1950. All such bids to be filed in the office of the City Clerk of said City, at the City Hall Building, Sedalia, Missouri.

All such bids shall be accompanied by a Certified or Cashier's check payable to the City of Sedalia for an amount equal to ten per cent of the total of such bid or bids, and bidders shall be accorded the right to bid upon any one or more of the heretofore described tracts separately or as a whole, it being affirmatively expressed that the City of Sedalia shall have the right to accept or reject any or all such bids, and in said Resolution directed, I, the undersigned, Chairman of the Public Buildings and Grounds Committee of the Council of the City of Sedalia, Missouri, to be held at the Court Chamber in the City Hall Building at 7:30 P. M. on Monday Night the 1st day of May, 1950. In the event that any bid or bids are accepted or rejected, a written Warranty Deed in due form and Abstracts of Title will be furnished showing good and merchantable title in the City of Sedalia, a Municipal Corporation, free and clear of encumbrances and liens.

Witness my hand this 31st day of March, 1950, all in accord with Resolution No. 71 passed by the Council on the 8th day of March, 1950, and approved by the Mayor on the 17th day of March, 1950.

Smash Doors In Raid; Arrest Six

KANSAS CITY, April 24—(P)—Police smashed two doors with a sledge hammer Saturday to raid a second-floor storeroom which officers said was used as a horse race booking joint here.

Six men were arrested, telephones and horsebook equipment were seized.

Police Capt. Lester W. Kucher said he got a tip on the place through an anonymous telephone call.

Three tables in the place were littered with racing forms, and a filing cabinet contained bundles of betting slips, Kucher said. There were four telephones.

Kucher said the phones rang about 50 times during the 45 minutes police were in the room. Patrolmen answering the calls said the callers were asking to place bets of \$1 to \$50 on horses.

William Harold Murray, 50, was charged with keeping a gambling game. He was released on a \$200 bond. Others arrested on gambling charges were released on \$100 bonds. They were John Earl Finnell, 49, George W. Fattall, 44, Harry Isadore Engle, 51, Robert Philip Devore, 41, and John Edward Donnelly, 42.

Two places across the state line in Kansas City, Kas., were raided by Kansas officers yesterday.

Demand Slashes In Aid Funds

WASHINGTON, April 24—(P)—Two more senators—Kem (R-Mo) and Ellender (D-La) Saturday demanded deep slashes in the \$3,100,000,000 European recovery funds for the next fiscal year.

Calling attention to the mounting national debt Senator Kem said he will press for a billion-dollar cut in the authorization now pending in the senate.

"It would be the height of folly for us to continue to throw our money around in Europe like drunken sailors," Kem said in a statement.

Senator Ellender proposed a half-billion dollar cut saying it would "eliminate a few frills and luxuries hidden in the program."

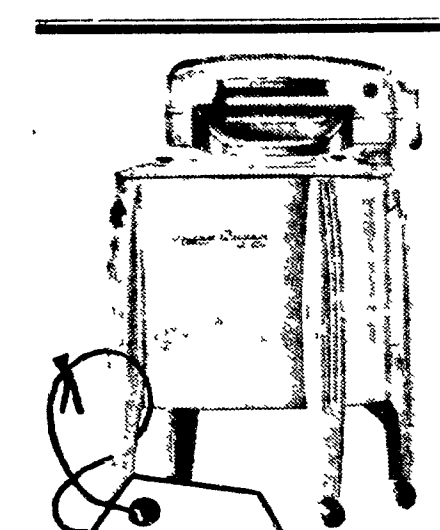

Chairman Connally (D-Tex) of the senate foreign relations committee and majority leader Lucas (D-Ill.) appeared unworried about new attempts to whittle the program.

Instead, Lucas was pressing senators to agree on a definite time for voting after a week of debate. He hopes to get the bill through the senate and back to the house next week.

Have Running Water If Door Opened

PIERRE, S. D., April 24—(P)—A census-taker met a farmer from flood-bedecked Sully county. She asked him the standard question: "Do you have running water in your home?"

"Nope," said the farmer freshly chased from his home by an overflowing stream, "but if I opened the door I would."

Loses Life in Leap From Plane Afire

OLATHE, Kas. April 24—(P)—The pilot of a Navy plane lost his life Saturday in a jump from his burning plane.

The Olathe Naval Air Station said the pilot was Ensign Eugene Norman Simon, about 26, of Glenview, Ill., a reserve officer and a student at Northwestern university. He was married and had two children. He was on a routine training flight.

The plane crashed northwest of Zarah, Kas., about a mile north of Highway 10, after it had taken off from the Olathe Naval air station.

J. R. Walker, who lives near the

scene of the crash, said fire appeared to break out when the plane was flying at 1500 feet. He said he saw the pilot jump from a height of about 100 feet. The plane crashed about 300 yards away.
